Principal's Word

This is a very busy time of the year and we are in the process of forward planning for 2018. It is our objective to finalise teaching loads, time tabling, LSO and room allocations by Week 6. We will be having interviews this week for the Junior School positioned advertised. We pray that God will be with us during this process as well.

Our End of Year Service and Awards evening will be held on the 13th December at 6:30 pm at the Ceduna

Memorial Hall. Doors will open at 5:30 pm for parents and visitors to view our Art Exhibition and enjoy some refreshments before the End of Year Service commences. Art pieces will be for sale as well.

All parents/ caregivers and community members are invited to this special event. On the night we will acknowledge students' achievements as well as staff and Council Member achievements and Farewells. There will also be music performances and a Junior School play performed on the night – very exciting!

Crossways promotion and enrolment packs will be available on the night. We are now enrolling for 2017 and I would encourage our community to consider Crossways Lutheran School for 2018.

Catastrophic Weather Reminder

As we are coming into the summer season, when a catastrophic bushfire weather day is forecast for the following day, our school will remain open, however **CAS school buses will not operate**. The **Crossways Bus will run as normal**. If a Code Red is called during the school day then students who normally travel on CAS buses will need to be collected from school. The Crossways bus on these days will still be picking up and dropping off students in the Ceduna / Thevenard area.

Spiritual Word:

Isaiah 40:31:

31 but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

Let's pray to God to give us the strength and energy we need to successfully finish this last Term for 2017. God is always there to carry us in times of need and encourage us to do our best – Amen!

Blessings

Crossways Chickens

Mrs Lambeff's Reception Class are the proud owners of 8 new chickens.

The class have raised money themselves by collecting empty fruit boxes for recycling which purchased them the chickens cage and food etc.

A huge thankyou to Barry Beattie for donating the chickens from his farm. The students are now collecting 8 eggs per day and really enjoy collecting food scraps and feeding the chickens.

Whole School Co-ordinator

Suddenly we find ourselves in Week 3 of the final term of schooling for 2017. At Crossways we only go to Year 10 therefore we are not really impacted by Year 12 exams; however, this does not excuse students from working diligently and purposefully on their assignments. When we are purposefully engaged in our work we are oblivious to timelines, our sense of purpose becomes the need to produce our best work possible. When we are in this zone, time sometimes constrains us and we find we are always looking for another few minutes if not more to ensure we produce our best work.

During week 2 Mrs. Kim's class went on camp to Port Lincoln where they took part in numerous activities including visiting Port Lincoln High School and Navigator College.

Last week we had four students attend a STEM CAMP (Science, Technology, Engineering and Mathematics Camp) organised by the Smith Family in conjunction with the Department of State Development. All the children came back saying how much they enjoyed it and how they were able to partake in innovative ideas.

Noticeably, as always Term 4 will be very busy and children will need to stay on top of their work.

Year 7/8 Port Lincoln Trip

In week 2 the Year 7/8 class went on camp to Port Lincoln from Wednesday to Friday. Students were excited as they were looking forward to spend time together outside the classroom. On Wednesday we headed to Glen Forest first where students enjoyed the beautiful scenery, fed various animals and had extreme fun riding Segway. On the next day, we went to Port Lincoln High School to spend time at their Aquaculture unit and Food Technology unit. Then, we went to Navigator College for a school tour around their facilities. This was a good opportunity for students to observe, experience and learn about other school's environment and facilities. After that we went to the Leisure Centre where students had so much fun swimming as they immensely enjoyed the water slide. Overall, it was great to see students learning to cooperate and work as a team and special thanks to Rom and Kerry as the camp would have not been possible without their support.

Library Books

All borrowed Library books that are at home and are overdue need to be returned to School as soon as possible.

Please have a check if your child / children have any books at home or in their school bag.

Thankyou

Emergency Lunch

Emergency Lunch orders will now be Vegemite Sandwiches.

It has come to the school's attention that too many students are wanting an emergency lunch because they enjoy the ham and cheese toasted sandwiches.

Please ensure a packed lunch is provided for your child / children or money is sent to school for a lunch order.

Ham and cheese toasted sandwiches are still available to purchase from the canteen if required.

Thankyou

Recipe of the week

Mini Banana & Blueberry Breads

2 Cups SR Flour, 1 Teaspoon Bi-carb Soda, 1 teaspoon cinnamon, 1/2 cup caster sugar, 3/4 cup buttermilk, 1/4 cup vegetable oil, 2 eggs, 1 teaspoon vanilla, 1 overripe banana mashed, 1 cup fresh blueberries or frozen blueberries, 1 extra sliced banana.

Pre-heat oven to 190 degrees. Grease mini loaf pan or muffin pan. Sift flour, carb soda and cinnamon in bowl, stir in sugar. Whisk buttermilk, oil, eggs, vanilla and mashed banana in bowl, add to flour mixture. Stir until just combined, fold in blueberries. Spoon into prepared tins, arrange extra banana over batter. Bake for 15 minutes or until cooked.
