## Principal's Word

**Week 5!** The hour glass is running out steadily and this term seems to be going too quick. Our Early Learning Centre Information evening went very well. Parents are excited about all the developments and a lot of questions were asked and answered by myself and Rebekah Zadow (ELC teacher). We issued every parent with a Parent Information Booklet. We will be organising another meeting later this term for those parents who could not attend the

meeting.

This week we are celebrating Book Week at our school. Books are important and reading them will improve your vocabulary, reading and writing skills. The chapel area has been changed into a wonderful and relaxing READING area where lots of activities will take place during this week. Lunchtime storytelling and reading by community members will take place. Students need to attend all the sessions during lunch times to ensure they collect all the clues TO FIND the "GOLDEN TICKET". This area will be open every day this week until **4 pm** so parents can come in and enjoy some activities and reading with their children. Happy reading to all our students this week!

The ELC building is well on the way and demolishing of some inside walls have been done. Things are progressing fast and we are getting more excited day by day. This facility will be open for tours next term when finished – booking system for tours will be organised by the front office.

I would like to thank all staff, Parish members and parents for volunteering in our donut van during the finals of the Footy and Netball.

It is a great way to get involved in the community and rendering a service whilst doing so. It was a team effort and all the profits of the donut van will go back into teaching resources for our students to improve teaching and learning (our core business). I would also like to thank the Ceduna community for supporting the donut van on the days.

Just a reminder that our year 9/10 students will be going on their Canberra trip in week 7. The excitement is building and the students are looking forward to this event. Justin Wilkey (AISSA) will be joining the group on the trip. Justin works with our students on a regular basis and supports them with their applications for scholarships to schools/ colleges in Adelaide after completing Year 10 at Crossways.

### Encouragement Message:

"Great things begin with small actions."

One of the world's greatest humanitarians was Mother Teresa. Great as she was, even she cautioned, "We can do no great things, only small things with great love." Tackling too much at one time is a recipe for disaster. So start small. Begin at the beginning and make a great change one step at a time.

***"Be strong and courageous. Do not fear or be in dread of them, for it is the LORD your God who goes with you. He will not leave you or forsake you."*** Deuteronomy 31:6

### Blessings

## Book Week at Crossways

Miss Zadow's Year 1 Class were lucky to have Mrs Colleen Hoffrichter come in to read a story as part of the Bookweek celebrations.

The Reception class visited the Ceduna Museum last week and loved the experience, especially the old classrooms.

It has been a very busy time at Crossways !!!
