Wk 9, T4 (Wed 9/12)	LAST DAY TERM 4
Wk 9, T4 (Thu 10/12)	STAFF P.D.

Principal's Word - Tony Peters

Term 3 is just about completed. During the term, many things have been achieved and I'd like to thank you for the many ways you are supporting your own children. The school and home partnership is so important for your child's well-being and success at school, so I continue to encourage you to make those connections with the school, whether it be a quick hello with a staff

member; reading your child's class newsletter with them; helping out in class; assisting your child with their homework; talking to your child about their day at school or whether it be participating in Footy Colours Day- those connections, big or small, do have an impact on how your child perceives school.

Last week I mentioned how our school choirs are serving others in the community. Late last Friday I received a phone call from a principal of another Lutheran School and he made mention that a parent from his school happened to be in Ceduna having lunch at the Ceduna Hotel. Coincidentally, he was present when the Junior School Choir sang there last Friday. He passed on the message that he felt privileged to be entertained by a group of Crossways students. This just reiterated the fact that people do appreciate the way in which we serve others and our school is able to do this in so many and varied ways.

Tomorrow is the students' last day of the term and to make it a memorable experience, Footy Colours Day is taking place as a means of raising funds for Shontayah's Shave for a Cure (Cancer research). To date Shontayah has raised around \$5,500 and hopes to achieve a target of \$10000 by the end of her campaign. This type of serving is what our school is about, it's part of our ethos- to serve others without expecting anything in return. God's word teaches-

'Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.' (1 Peter 4:10)

Shontayah is playing a major role in fundraising but we all can take part and participate where we can to help. On Thursday, put on your favourite team colours, come to school and share in who we are as a school!

I wish you all a very safe and happy holiday. I hope and pray that you are able to spend some quality time as a family.

Tomorrow, the challenge begins !!!

Eric Richards and Miss Kim holding the annual Footy Colours Trophy. Details on the day's programme is attached in this Newsletter.

Hope & Grace Award winners

Week 9 Hope Award winner (Ciarah Gunter)

Week 9 Grace Award winner (Charlotte Harre-Temby)

Class Recycling Award (Miss Cannard's Year 2 Class)

Year 1 Class News

Welcome to Week 10 and the end of Term 3! What a fun and busy term we have had. In recent weeks students have been busy learning about Bible times and how they were different to now. We explored the differences in clothes, transport and food. In Week 9 the Year 1's and Receptions came together to have a shared picnic, where they enjoyed Mediterranean foods such as grapes, cheese, dates, tomatoes and wraps. In other learning areas students have collaborated together and used resources in the classroom to find spelling words with the 'wh' sound. The challenge was to find at least 10 'wh' words and write on a big whale. It was great to see the class use their 'Eagle Eyes' for words around the room, as well as in dictionaries, books and also on ipads with a Google search of 'wh' words! The class has also been enjoying their new flexible seating learning space, where they can read, participate in hands-on activities as a group or complete spelling activities. Well done, Year 1's! I hope you all keep up the great work next term!

Miss Donna Bahr.
