Principal's Word - Tony Peters

Welcome back to Term 4! Many exciting things will be happening during the course of the term so I encourage you to keep an eye out by reading this newsletter, your child's class newsletter, the school's Facebook page as well as the electronic notice board out front of the school. Our chapels and school assemblies will continue to be held on Fridays- we'd love you to join us for

this.

On the final day of last term, Footy Colours Day was held to support Shontayah's efforts in raising funds for cure for cancer. This was a fun day, although quite wintry conditions hampered spectators from lasting out the main game. It did not, however, deter the determination of students, parents and staff from fighting out a hard fought game of footy. In the end, the students outplayed the adults probably due to greater fitness and ended up winning 7-9 (51) to 5-6 (36). During the school holidays, Shontayah had her hair shaven off at a special event held at the school. A few hundred people attended and by the end of the evening, Shontayah had raised a total of \$12000, reaching her target of \$10000. Well done, Shontayah and well done to her father Andrew, who did an amazing job organising and coordinating the event at the school.

Next week, we will celebrate Book Week with a day of celebrations on Wednesday 21st October.

Children are encouraged to dress up as their favourite book character or to the theme- Curious Creatures, Wild Minds. They will be able to parade their character during a whole school gathering in the chapel space and judging will also take place with winners announced later on at 3pm. Following the announcement of the winners, the Book Fair will officially open in the library. This is a good opportunity to purchase some great books while at the same time raising some funds for the school to purchase some new books for our library. It will also give you a great opportunity to see the new refurbishments in the library- I'm sure you will be impressed!

Due to the interruptions which COVID-19 has caused earlier in the year, there will be 4 major camps held this term for the Year 3/4 classes (Streaky Bay), the Year 5/6s (Penong- Aquatics), the Year 7/8s (Port Lincoln) and the Year 9/10s (Adelaide/Kangaroo Island). We wish the teachers and students God's blessings as they prepare for their respective camps.

As we begin another term, let us all rejoice in what the Lord gives us, including a school where we can learn, work and grow together.
