Wk 9, T4 (Thu 10/12)	STAFF P.D.

- Have time to read with your child- you reading to you child and your child reading to you
- Take an interest in your child's homework and spend some time with them as they complete tasks, giving your child plenty of positive attention by showing warmth and being interested in what they're doing

In summary, be a partner in your child's learning. Education is individual for each child and remains a shared responsibility between you, your child and the school.

This term, the staff are focusing on Faith, Surrender and Trust for our Spiritual study and growth. Miss Liti is leading us through some very insightful devotions this week and one verse which is standing out for me is the one from Proverbs 3:5-6 *"Trust in the Lord with all your heart and lean not on your own understanding, in all your ways acknowledge him and he will direct your path."*

This is something I need to remember on a daily basis because to be honest with you, I do try to rely on other things rather than putting my trust and my faith in a God who promises to lead me in the right direction. Perhaps it's the same with you. Through prayer, through focusing on God constantly we can be assured that he will guide us and give us what we need to face each day.

## Principal's Word - Tony Peters

This week we celebrate BOOK WEEK with the theme of Curious Creatures; Wild Minds. I think it's both wonderful and really important that we as a school can celebrate this event each year. Obviously, books help us learn to read, from an early age reading simple texts such as readers to when we are able, reading great novels. Mrs Moyses, our librarian has spent countless hours creating and decorating, making sure that the library looks the part for BOOK WEEK. A big thank you Mrs Moyses! On Wednesday of this week, the school is holding a Family Night

inviting you along to see the library, buy some books if you wish and to share a provided BBQ.

On Monday evening, an information session was held for the parents of the new Foundation students for 2021. During the session, I shared the importance of the partnership between the home and school. The importance of parents and the school having open, honest and regular communication is critical when we are supporting children with their educational needs. From my experiences, where the school and the home work in partnership together, is where there is success. The school cannot do it alone and the home cannot do it alone- it needs to be a shared responsibility and opportunities for discussion, for planning and for growth. I want to encourage every family to continue making connections with the school in any way you can. Some of you cannot make it to school during the week because of work commitments or for other reasons and so there are other ways to make connections with your child's school, here are some-

- Read your child's class newsletter with them
- Ask your child some questions about their day at school. Be specific i.e. what did you learn in Maths today?

## Literacy & Numeracy Co-ordinator

As we come closer to the end of the year, it is just as important to continue the routines for our students both in the classroom and home environment.

Children need routine and when they are in an environment with predictable expectations and routines they feel secure and safe. In Junior School classrooms, our morning routines are so

important of how we begin our days and prepare for our learning. After our recess and lunch breaks, the way we enter the classroom after play and settle into beginning our lessons determines the work habits and expectations for our learning tasks. Reading is a fantastic way to settle students after lunchtime. This could be with shared reading, the teacher reading aloud or independent reading. Reading is also a valuable routine that could be used after school or before bedtime.

Speaking of reading, this week is Book Week! Students are encouraged to participate in many fun activities throughout the week including:

- Daily quizzes
- Lunchtime guest readers
- Lunchtime activities
- Dress up Day on Wednesday
- Family Night Wednesday 3-6.30pm

The timetable for Wednesday will be as follows:

Dress Up: Come to school dressed to the Book Week theme (**curious creatures, wild minds**) OR **your favourite Book Character**

**10:15 – Book Week parade**

**3:00- Announcement of best dressed winners (parents/ caregivers encouraged to come along)**

**3:00-6:30pm – Family Night – Activities in the library, Book Fair sales, 5:30-6:30pm BBQ – we look forward to seeing as many of you there as possible!**

## Year 1 Class News

What a fun and busy first week back at school the Year 1's have had! This term we are focusing on the genre of recount writing, which links in beautifully with hearing about everyone's holidays. Many students travelled to Port Lincoln, Adelaide and Yalata and were able to spend quality time with family and friends. Others stayed in the local area and enjoyed the lovely weather we have been having at the beach. In Maths we are learning about directions through games and hands-on activities. This has highlighted the importance of how to not only give directions and follow them, but also to know left from right. We have also been busy each day learning new dance routines with the Receptions and Year 2's as part of our Footsteps program. Well done to all of the Year 1's for their enthusiasm and great start to Term 4!

**Miss Donna Bahr.**

### Recount Writing by Year 1's:

In the holidays I went to Port Lincoln and I saw my family. I went with Mum, Raya and Lakota. First I went to see Skyla and Jackson. Next we had lunch when Dad got back from work and then we had a rest.

**Aaniya.**

In the holidays I went to Yalata with my family. We went to go camping. First we went to my cousins' house and we camped there until Friday. Next we went back to Yalata because it was raining. My favourite part was riding my motorbike with my cousins.

**Richard.**

In the holidays I went to Streaky Bay with my sister and my Mum. My drove the car. I went to spend time with my family. First we went to a restaurant and then we went to the play-ground. My favourite part was the playground.

**Savannah.**

On Saturday I went with Toby, Mum, Dad and Alexander to Port Lincoln. Dad drove us in a car. We went for fun. First we went to the skate park then we went jetty jumping.

**Freddie.**
