Wk 9, T4	(Thu 10/12)	STAFF P.D.

Principal's Word - Tony Peters

During whole assembly last Friday, Margaret Binell was invited to give a talk to the school about her experiences with education. Margaret has a number of grandchildren that are currently going to school.

She gave a personal testimony of what was like for her as a child attending different schools and in summary, even though there were obstacles, it was Margaret's determination which gave her the

strength to complete the course she begun. She spoke of the importance of going to school every day, to learn to read and write and to use mathematical skills.

At Crossways there are many students who come to school every day- last week 58 children from our Junior and Middle school were here 100% of the time. That means 77 students missed at least 1 day of school last week.

This term attendance rates are averaging just over 70% and this is not nearly good enough nor is it acceptable when you look at the reasons why children are not coming to school. Every day your child goes to school, they are learning valuable skills, including academic, social, emotional, physical and spiritual and these are skills they will carry with them into the future.

Each day your child doesn't attend school they miss out much. As a school we are aiming for an average of at least 90% attendance.

If you are parents or guardians of children who are coming to school every day, thank you for encouraging and supporting your child and the school in our endeavour to develop life-long learners.

Over the next couple of weeks, there will be a number of camps happening- the Yr5/6, Yr9/10 and the Yr3/4 camps. We wish Mr Champion and his Year 5/6 class God's blessings as they begin their Aquatics camp out at Penong, the Blue Lake and Pt Sinclair this week, from Wednesday to Friday. The hot weather has passed so they should enjoy much milder conditions for their time away!

Next week we see the Year 9s and 10s head to Adelaide and Kangaroo Island for their week-long camp which I will be participating followed by the Year 3s and 4s who are leaving next Wednesday for their Streaky Bay camp. Let us thank God for our dedicated staff who plan, prepare and attend camps so that children experience a multitude of opportunities to grow and develop. Also thank God that we as a school can offer these types of outdoor educational experiences for all students.

Once again, I'd like to bring to your attention the School's car park- if you are using the car park, please ensure you accompany your child while walking to and from the area. It becomes a very congested area, particularly during peak times i.e. in the morning and in the afternoons, before and after school.

Children should NOT be walking the car park on their own, cars are often reversing to exit the area and this becomes a real hazard when small children are about.

J/S Choir entertaining the senior citizens last week

Up to 10 **Scholarships** available. Application forms available at the front office. Applications close Friday 27 November. Includes **one year's school fees** and a set of **winter and summer uniforms**.

Middle School Maths

This term I have been taking the 7/8 and 9/10 class for maths while Haesil Kim is away on leave. Our main focus has been on 'business maths' and creating mini businesses. The concept is that students have the opportunity to create a product and sell it for a profit. The students wrote letters to Mr Peters and Megan Gillespie asking for a loan of \$100 to get their business started. Students selected their team then decided on a product they felt they could make and hopefully sell for a profit. Some of the students who decided to bake have begun to realise that baked goods cost quite a sum to make and are time consuming. Other teams have created bush medicine soothers and lip balms, and a 9/10 group are making a range of items including baked goods, art and Christmas cards. 50 % of the profits raised will go to a charity of the teams choosing while the other 50% will be shared amongst the team. We have discussed fairness of profit sharing and ensuring each member does their share if they want to receive an equal portion of funds at the end of the term. Students have had to think about advertising to ensure people are aware of what they are selling and when. It has been great to see how focused and driven a lot of the students are and perhaps we are starting to see our future leaders through this venture.

Terena Evans

Well done Riley Mullen

During this year Riley Mullen in Yr2 Miss Cannard's class started his motocross racing with the Westcoast Motorcycling Club racing his 50cc and 65cc. During this time, he raced in 7 locations around South Australia. He raced at 3 tracks for the State Championships which were located at Renmark, Murray Bridge & Adelaide. During this race time he came 3rd at Renmark, 2nd at Murray Bridge and 2nd in Adelaide which won him an overall win as 2nd for the State on his 50cc out of 21 riders.

He also raced in 4 locations on the Eyre Peninsula for the EP Rounds. Racing at Ceduna, Kimba, Whyalla & Post Lincoln tracks. Overall, for this series he came 3rd.

Riley loves to race & loves the support he gets from his mates & the community. Now that he has finished racing for the year, we would like to take this opportunity to thank those who supported him & we will look forward to another fun year next year. He has made his Mum, Dad & sister Millie very proud for his first-year racing.

Outdoor classroom day

On Thursday 5th of November, the Junior School will be participating in Outdoor Classroom Day which is a global movement to inspire and celebrate outdoor play and learning. Where possible, the class will celebrate with a special day outdoors, completing their classes outside!

Children are spending less time outdoors than ever before and this is affecting their health, wellbeing and love of the natural world. Time outdoors – on Outdoor Classroom Day and every day – will make children happier and healthier, as well as helping them form habits that will stick with them for life. They will have a love of the natural world and will take action to protect it.

We are all looking forward to this day and pray that the weather is nice to us!

Also in the Junior School, we have been participating in swimming lessons each Monday at Jak Fawcett's pool. The children have thoroughly engaged and participated in lessons and are learning lifesaving skills, such as how to rescue a drowning person and skills to assist them if they fall in.

Students are developing confidence in the water and their swimming skills. A big thanks to Jak and her team for teaching us! We are looking forward to the following weeks – don't forget your bathers and towel each Monday!!!

Mrs Lambeff

WEDNESDAY CANTEEN SPECIALS TERM 4

Please note
If students do not order the special from the canteen on a Wednesday but still require a lunch order, the only other option for that day is Ham & Cheese Sandwiches. Thanks

WEEK 2

Recess	Watermelon & Strawberry packs	\$2.50
