Wk 9, T4 (Wed 9/12)	LAST DAY TERM 4
Wk 9, T4 (Thu 10/12)	STAFF P.D.

## Principal's Word - Tony Peters

I have joined a small group of Yr 9/10 students, along with Miss Liti and Kerry Taylor on their 5-day camp and we are currently on Kangaroo Island. Monday we spent a good part of the day traveling to Adelaide. On Tuesday, the action started with a guided tour at Immanuel College by three Indigenous students in Lakita Miller (ex-Crossways student), Darryll Coleman (ex-Crossways student) and

Jyrell Highfold. This was a terrific opportunity to see some of the programs offered at the College. It was also very reassuring to see how the Indigenous students are supported in an environment that is quite foreign when beginning their schooling there. Two of our students Kara Wild and Mia Nicholls who are both currently in Year 9, will be boarding students at Immanuel College beginning next year. The school sincerely thanks the staff at Immanuel College for hosting us during our time there.

The students and staff highlights so far have been visiting Immanuel College (this was the most popular!); the ferry ride from Cape Jervis to Kangaroo Island; sleeping in an Eco tent; swimming at Hog Bay, Penneshaw; and getting safely to Kangaroo Island from Ceduna. Some of the challenges so far have been feeling a little sick while on the ferry; travelling Ceduna to Adelaide; sleeping in other places; keeping things tidy; trying to pack light and worrying about school.

The Kangaroo Islanders have done it very tough over the last 12 months, beginning with devastating summer bushfires during 2019-20.

As of early February, the Kangaroo Island bushfires had burned about 210,000 hectares or about 48 per cent of the Island. Thousands of hectares of native habitat has been lost and animals have perished. Several endangered species have been severely affected.

This was followed by COVID-19 very soon after and for a place like Kangaroo Island where tourism is a major industry; this also had a massive impact on the residents and businesses. For the students on this camp; they will see to some degree how a community continues to fight for survival by banding together and not giving up even when the odds are against them. They will also see how important it is for others, who are less affected, to step up and lend a hand. God doesn't create these disasters, but he creates human beings who have the capacity to overcome extreme circumstances, some horrific, and he creates people who love and care, serving others in a time of real need.

Camps are important for children. Camps develop a whole range of skills that can't possibly be done in either a school environment or a home environment. I believe the most significant growth by participating on a school camp is learning how to live with one another. Because school camps are about being away from home and school about being with each other 24/7, one really needs to focus on working, supporting and helping, while at the same time being independent through being organised and taking initiative.

We have an action packed day on Kangaroo Island tomorrow (Wednesday) and hope to share more with you in our school newsletter next week.

### CHANGES TO FRIDAY'S CHAPEL & ASSEMBLY TIMES

This Friday's **CHAPEL** is at 9.05am followed by **ASSEMBLY** straight afterwards.

Up to 10 **Scholarships** available. Application forms available at the front office. Applications close Friday 27 November. Includes **one year's school fees** and a set of **winter and summer uniforms**.

#### WEEK 8

Recess	Veggie sticks & Homemade dip	\$2.50
Lunch	Chicken Salad	\$5.00

#### WEEK 9

Recess	To be advised	
Lunch	To be advised	

## Year 2

Last Friday the Year 2 class and Foundation class went to visit John Veerhuis and his colleagues at Laura Bay. He showed us the header, tractor, field bin and truck and explained the basic process of harvesting wheat. We learnt how to 'rub' a head of wheat to separate the grain from the husk and asked John some questions. He showed us how the wheat moves from the header to the field bin, then from the field bin to the truck and off to the silos. We all got covered in dust while we had a look around the paddock and the machines being used. We were even lucky enough to come back to school with a sample of wheat from the paddock.

It was a great day and we can't wait to turn our grain into flour this week!

*Rhiannon Cannard, Year 2 Teacher*

# CROSSWAYS COMMUNITY FETE

## FRIDAY 4th DECEMBER 2020

CROSSWAYS LUTHERAN SCHOOL OVAL

5pm - 8pm

Cost for site : **\$25** (Crafts, Arts, Baking, Preserves, Clothing etc)
