TERM 3	Monday 5th July - Thursday 23rd September 2021
TERM4	Monday 11th October - Thursday 9th December 2021

Principal's Word - Tony Peters

We're almost at the end of the school year. I take this opportunity to thank you for whatever you have done to make connections with the school, helping your child grow and develop as a positive and responsible citizen. The world is changing dramatically and I believe Crossways Lutheran School offers a very good foundation for your child where they have the opportunity learn a multitude of skills.

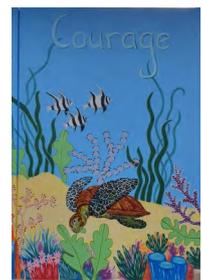

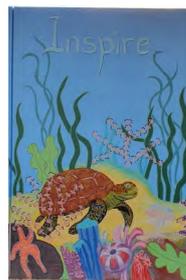

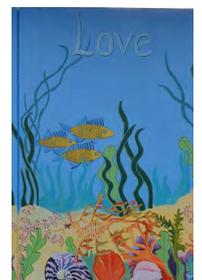

Lutheran Education Australia produced an excellent text called *Living in community- values for Lutheran schools; Lifelong Qualities for Learners*. This poster is displayed in the school as a reminder of the values that we endeavour to live by each day:

LOVE JUSTICE COMPASSION
 COURAGE FORGIVENESS SERVICE
HUMILITY HOPE
 QUALITY APPRECIATION

When one examines what has taken place this year not only at school but in our personal lives at home and in the community, we ALL fall short of not being able to exhibit all these values every day.

At school we do try our best as staff to demonstrate these values through our thoughts, words and actions but at times we fail. We understand and acknowledge that we are not perfect but that does not mean we do things half-heartedly either or to give up. Quite the opposite actually! We get back up and we try again and again because we know God loves us so much and he understands our shortcomings and our failings and he forgives us. Because of this wonderful grace, we are able to try over and over again, trying our best to improve. As we model this, our hope is that our children also persevere and never give up. Kerry Taylor, Eleanor Coleman and Jane Appleby-Peters worked with students to create a mural which incorporates the values that we at Crossways try to exemplify each day. Below are some of the images.

I wish you a blessed Christmas, one that is filled with hope, joy and peace. May you have the opportunity to celebrate the birth of Jesus, the coming of the promised One who gives us all we need. May the time you spend with your children be a time of bonding, a time of healing and a time of thankfulness.

Important Notice to Families

A letter went out this week regarding 2 very important events taking place on Wednesday 9th December. **PLEASE READ THE LETTER CAREFULLY FOR MORE DETAILS ON THE FOLLOWING-**

Student – Led Conferences

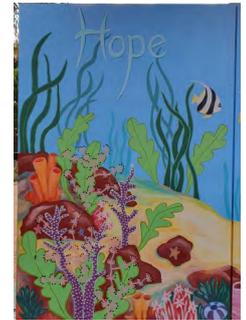

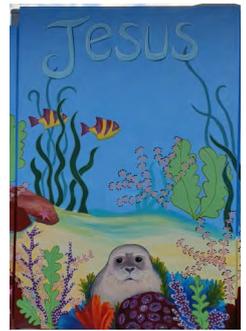

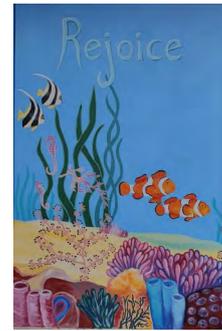

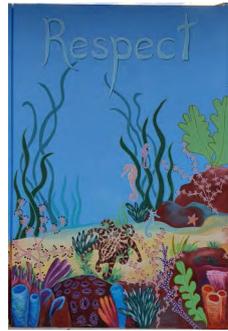

End of Year Service & Celebration of Learning

Wednesday 9th December is a pupil-free day for the purpose of your child and you attending the Student-Led Conference.

End of Year Service will be held at the school in the canopy area of the Junior School. 6.30pm start.

Church Service at Crossways on Sunday 29/11

CROSSWAYS
LUTHERAN SCHOOL

We cordially invite you to attend our 2020

END OF YEAR SERVICE 'CELEBRATION OF LEARNING'

Wednesday 9th December 2020

to be held at the School - Junior School Canopy

6.30pm start

Due to 'Social Distancing Rules' we will require attendee details prior to the event.
Families attending **MUST** receive a ticket for the event from the Front Office.

Circumstances regarding the presence of COVID-19 within South Australia can change quickly. Be mindful that our End of Year Service may be subject to sudden change or cancellation in line with the latest health advice.

RSVP by Friday 4th December 2020 to admin@crossways.sa.edu.au or by phone on 86252873.
Tickets for this event can be collected from the Front Office at any time.

Congratulations

Middle School Food Tech

One of the things that always excites me at the beginning of a new week is for students asking about what they would be cooking during the week. To see the joy and happiness in the eyes of students after they create a dish and happily wanting others to taste is the highlight of teaching Food Tech in the Middle School.

From Year 5 to year 10, each child is always looking forward to coming into the Home Economic room and preparing the dish of their choice centered around the theme of the week.

This term is one of the shortest terms of the year and with few weeks of cooking, it has always been a delight to watch and taste yummy dishes that students get to cook every week. We have also celebrated a few organized programs in school where students took part in cooking their dish based on the theme and share it together with the members of the community.

Week 2: The school celebrated our new library on book week and so the Middle School students showcased their dishes based on the theme of "Dessert & Savory" where they made delicious goodies and shared it with everyone that came to celebrate our new library during Book Week.

Week 4: The Year 5 & 6 went on camp and students assisted in preparing their meals using the basic skills of prepping and food hygiene learnt from class.

Week 5: The year 9/10 students went to Adelaide and Kangaroo Island for their camp. It was remarkable to see the students taking ownership in preparing their menu, list down all the ingredients that are needed for the meals that we needed and most importantly taking turns in prepping and cooking our meals during camp.

Week 6: Due to unexpected circumstances and announcement made by the SA Health Department to close down all schools in the State, the Year 7/8 had to return back home without completing their camp.

Week 7: Despite, being disappointed about their short camp in week 6, it was lovely to see most of the Year 7/8 students during the elective week participating in Christmas baking.

I would say that this year has been challenging with all its ups and downs but through it all, I am always excited and looking forward to spending fun time with the students in the kitchen. Watching them create different cuisine, and having to taste all the meals that they proudly cook has been the highlight of the term.

Congratulations to all the Middle school students who have made this term a memorable one!

Miss Liti Nabukabuka

Middle School Electives

Wednesday the 25th of November students were offered a variety of options to choose from for electives. This was a great opportunity for staff and students to work with a range of ages and students they may not teach who were interested in the electives offered. Mr Carl Woodward, Reeve Fairclough and the Youth Hub Crew took around 20 students for the day, learning how to surf at Ocean's Beach – Davenport. Everyone enjoyed the perfect weather and surfable waves. A big thanks to Peter Jerico, Tracey Miller and Stanley (Surname) who volunteered their time to help assist students while in the water, also a shout out to Reeve for his teaching skills. ☺

Macramé was another option for students to choose from. Mrs Sheridyn Lovell and Tanya Nielsen supervised this group. Thank you Tanya for teaching the students the very cool art of Macramé and Charmane for your support while they got use to refining the knots. There were some awesome pieces produced including hanging pots and key chains.

Miss Liti and Eleanor supported students baking Christmas cookies while Mr Aiden Champion organised Technology games and quizzes. Another big shout out to Jane Peters for offering a basket making workshop to the students to show them the skills of traditional weaving.

I'd like to thank all the staff and volunteers who made this day possible. Perfectly timed for a break mid-term.

Terena Evans

Deputy Principal

ELC GRADUATION

Please join us for Crossways Early Learning Centre end of year celebration.

Our evening will begin with some light supper and time to mingle and play. At 6:15pm we will hold a graduation service for children that graduate from ELC in 2020 (including Term 1). The children will also have an opportunity to perform songs for families.

**Week 8, Thursday, 3rd December,
5:45pm for supper, 6:15 for
a graduation service. Held at
Crossways ELC.**

It's almost the end of the year!

With the end of the year fast approaching, if your child hasn't seen the dentist for their regular dental check-up, now is an ideal time to book an appointment before the holiday period closure.

Regular dental check-ups are the most effective way to keep your child's oral health on track and to set them up for good oral health habits for life.

Your child may also be eligible for **\$1000 FREE basic dental care**, every two years through the Childs Dental Benefits Schedule.

We would also like to take this opportunity to inform you that Ceduna Dental will be closed from Thursday 24 December 2020 and will re-open Monday 4 January 2021.

To book an appointment and/or find out if your child is eligible today, give our friendly team a call on (08) 8626 2134.
