Week 10 (Fri 2nd April)	Easter Friday PUBLIC HOLIDAY
Week 11 (Mon 5th April)	Easter Monday PUBLIC HOLIDAY
Week 11 (Thu 8th April)	Last Day of Term 1

Principal's Word - Tony Peters

Children are getting excited with the upcoming School Sports Day this coming Friday! Though we are encountering some very hot weather now, it looks like it will turn in our favour in time for our Sports Day. This is a wonderful opportunity for the school community to come together and to support the children in the various events throughout the day. If it is possible, please come along and

show your support- it always special to have parents and caregivers at the school!

On March 22, a Master Planning workshop will be held at the school later in the day. Crossways is embarking on a 5 year plan and it will have the following aims-

- To outline future possible directions for the school with regard to the physical site and facilities, but with the flexibility to accommodate changes to the planning context or the changing needs of the school.

- To provide an inventory and analysis of facilities.

- To combine both educational and facility planning.

- To anticipate proactively the long range needs of the school and to cater for current and future needs.

- To prepare for sustainable future growth, maintain current enrolments and cater for potential growth.

- To ensure that money and resources are used wisely.

- To address the needs of the school.

- To provide a timeline of scheduled projects.

- To build on the history of Crossways Lutheran School.

- To ensure the school continues to embrace its mission, vision and Christian Values.

This FRIDAY

Ham & Salad Wraps \$4

(Create your own with the help of our volunteers)

To have your participation and your say, please pencil this date in to your diaries so that you can take part in this workshop. An invitation will be coming your way soon with further details so keep an eye out for this.

I give thanks to God on a daily basis for the school that we have here! I thank God for the staff who are committed to providing a quality education for all the children. I see and hear patience, care, nurture, love and passion from the staff every day. I also know that they strive hard to keep in touch with you, letting you know how your child is going. When the opportunity arises, please get in touch with your child's teacher- strengthen the partnership between school and home. This will certainly benefit your child now and in the future.

God's blessings!

Parents / Caregivers & family members are welcome to attend our Sports Day this Friday, 19th Feb.

Georgia Lambeff

Student Voice Coordinator

This semester, we introduce and congratulate our new SRC members. Students were asked to apply for the position, with a letter stating why they would be a good leader, as well as some of the changes they would like to see around the school to support education or school facilities. It was pleasing to read the thoughtful applications with many great ideas. Students were asked

to vote on the letter they believed would be the leader for their class; however, each letter was read out anonymously.

Well-done to the following students, representing their class:

Year 2 – Milana Champion and Trey Colbung-Bilney

Year 3 – Noah Veerhuis and Gabriella Masierowski

Year 4 – Anastasia Muir and Anne-Marie Richards

Year 5 – Lillian Miller-lampard and Amalie Champion

Year 6/7 – Aroha Paparoa and Riley Shephard

Year 8/9/10 – Shontayah Mcilwraith and Noah Champion

Over the semester, SRC members will be involved in regular meetings where the opportunity to raise concerns can be made, as well as contributing to the school's *Master Plan*. Students will also plan events and fundraise throughout the term. Our first fundraiser is 'inside-out' day, where money raised will go towards the Junior School Playground. It is important for students to develop leadership skills and to have a voice.

Terena Evans—Deputy Principal

Hi Crossways friends and families. This term has already been off to a busy start, as always. We have a variety of exciting activities taking place over the school including family visits, Sports day this Friday and SRC with students already looking at uniform changes and a SRC shirt rather than a badge.

We really encourage our students to bring up any issues they have to their SRC

reps so that positive changes can continue to happen around the school. Please continue to keep in touch with the school or your child's teachers when there are any issues arising so we can help to support your child at school.

There is an opportunity for student leadership coming up in the first week of March where I will be taking a group of up to 10 of our senior students to a Restorative Workshop at the Youth Hub.

I am looking forward to seeing how the students use the training days when they return to school with their peers and teachers and I will share the events in my next newsletter article.

I would also like to encourage families to set routines with their children around bedtime and sleep. Students who get 8-10 hours' sleep at night are able to function better in the classroom and find learning easier. Reading with your child at bedtime also supports their learning and ability to read fluently as they age.

If your child is having difficulty in any subject please let their teacher know so they can set appropriate homework to support them in their learning journey. Our aim is to help support individuals who can function in the work world after school and who are healthy and happy showing caring towards each other.

Middle School Report

Mr Caretti

It has been a great start to the year so far, it has been so positive to see encouraging attendance in the middle school from all three classes.

Congratulations to all the class award winners last week.

It has been great to see so many familiar faces here at Crossways which has been making my transition from Adelaide back

into Ceduna a really warm one.

Additionally, it has been wonderful to meet so many new faces so far and the time spent getting to get to know students and parents. The middle school has been really active so far already this term with the likes of choir, music lessons, SRC, and excursions happening.

Students have taken on board the new 'Break Card' system and it has good to see students developing their ability to be self-aware of their feelings and self-regulate.

I have seen a lot of positive conversations being had which has resulted in students re-engaging in their classes. Lastly, I am excited for my first sports day at Crossways Lutheran School and the vibe around the middle school is heating up! Go Sea Eagles!

CROSSWAYS COMMUNITY

FRIDAY 26th MARCH 2021
