## Principal's Word - Tony Peters

Welcome to Term 2! I do hope you did have some quality time with your family during the holiday break.

I spent a few days exploring the waters around Mt Dutton and Coffin Bays with my wife, Jane, in our sail boat Windsong. Our first night on the water we had to contend with a very strong northerly and we spent a sleepless night making sure our boat was in safe water- our anchor was dragging! Even though we found a protected spot behind a point, the

wind was strong enough to cause us some challenges throughout the night. The wind started at around 9pm and I awoke around midnight to find ourselves quite a distance away from where we first anchored, so we were dragging! From then on Jane and I took turns to keep watch throughout the night.

At one stage on my watch, we almost ran aground on the other side so it had to be a very quick response to get the boat in to deeper water! We were both very grateful when first light hit and we motored our way back through very choppy waters to the safety of the boat ramp.

Reflecting afterwards on this 'little' adventure, I am reminded that life can, at times, be a like a storm. Our lives can be thrown into turmoil and disarray to the point that it can be a struggle and we may even think we cannot cope. It is with God's help we can endure these tough times and persevere until we get through it. We need to put our trust in God, turn to him and ask him for strength, protection and guidance. He does promise to do just that and we hear him say, "Come to me, all you who are weary and burdened, and I will give you rest." (Matthew 11:28).

During this new term, I pray that we can turn our focus on God, during the good times and as well as during the 'stormy' times in our lives.

On the last day of last term, the Student-Led Conferences were held and many of you participated in this. Many thanks for your feedback that you provided on the reflection forms following the conference. This information is useful in planning for future Student-Led Conferences.

I need to reiterate that this is just one form of communication regarding the progress of your child. There are other opportunities for this to happen, so if you would like to know more about your child's progress, I encourage you to contact your child's teacher to organise a time to meet.

God's blessings!

Right : Margaret Thiselton accepts a cheque for \$2000 from Crossways. Margaret is part of the Playspaces in Ceduna Committee. The money was raised during the Crossways FETE and will go towards new playgrounds in Ceduna.

Joshua Coleman & Aroha Paparoa represented Crossways at the ANZAC Day dawn service last Sunday.

## Terena Evans—Deputy Principal

Welcome back to all our families, students and staff for what I am sure will be another busy and fun filled term.

As always please try to ensure your child is wearing their correct uniform on the correct day. Across the whole school PE runs Tuesdays and Wednesdays only.

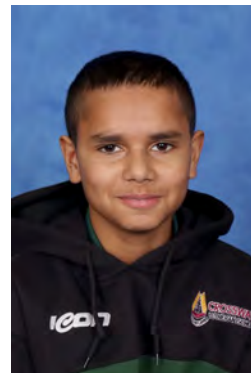

Please keep in regularly contact with your child's class teacher so that we can support the best we can when issues arise.

### **REWARD programs:**

This term I aim to offer REWARD time to students who are always doing their personal best. This will happen on Fridays and class teachers will nominate students weekly who have tried their best in their learning, being kind to one another and treating all respectfully. What this time could look like is trip to a local playground, a ride along Pinkie Point, skate park fun or perhaps art or cooking classes.

If your child has been selected you will be notified the day prior. A letter will come home in which you will need to give permission for your child to attend these events, if you do not wish your child to attend please indicate this in the letter.

## Congratulations Malaki

Congratulations to Malaki Miller who was selected to attend the AFL Diversity Talent Performance Program which was held on Wednesday 21st April in Adelaide.

Well done Malaki.
