2021 TERM DATES

TERM 2	27th April - 25th June
TERM 3	19th July - 23rd September
TERM 4	11th October - 8th December

Principal's Word - Tony Peters

Bible readings from last week and again this week have a very strong focus on LOVE. When we closely examine these readings we see that true love comes from God.

Reading 1 John 4: 7-9 we are given some clear insights of love-
Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. Whoever

does not love does not know God, because God is love. This is how God showed his love among us: He sent his one and only Son into the world that we might live through him.

What does this **true love** look like? Well, we are told this in the verse. We need to look to the cross to find our greatest example of what true love is all about- Jesus sacrificing his life on the cross for all. And we put him there! Then his last words were "Father, forgive them, for they do not know what they are doing."

So, what does it look like for us in our daily interactions with one another? If we take Jesus' example we are to lay our lives down for one another but not quite the way Jesus did for us.

What God wants us to do is to serve one another without expecting anything in return. And a part of this serving includes forgiving one another just as Jesus forgave us while hanging on the cross. Unless we are hermits, we are constantly living in relationships with one another, and because we are also sinners, things do inevitably go wrong and at times relationships are broken. This is where need to take Jesus' example seriously and work through our broken relationships, to confess and to forgive rather than hanging on to anger, hurt, shame and guilt.

Next week and the week after, students in Years 3, 5, 7 and 9 will be participating in NAPLAN (National Assessment Program- Literacy and Numeracy). If you are a parent or carer of a child in one of these year levels, you should have received some detailed information on what this includes. It is important that your child is here at school every day during this time, especially during the morning sessions, so that they can complete all assessment tasks. We wish all these students all the best as they complete the tasks ahead of them!

As you are most likely aware, Tim and Cath Steeles have embarked on a road journey with their children for the remainder of the year. Andrew McIlwraith has taken on Tim's role as the Chaplain and will work closely with students, staff and parents. Relationship building with staff, students and families is an important aspect of this role and we wish Andrew God's blessings as he navigates his way through the various tasks ahead of him.

Due to the 'Footsteps' Dance on Friday morning, this week's Chapel will be held just after Recess at 11.05am.

Thank you

Amy Norsworthy
Curriculum Coordinator

Welcome back to Term 2! It has been great to see a large number of students back in all classes and ready to learn!

Over the next two weeks (Week 3 & 4), the Year 3, 5, 7 and 9 students will participate in NAPLAN testing. This comprises of 4 tests including Reading, Writing, Language Conventions and Mathematics. This year will be our first year completing the testing online, using iPads and laptops to complete the tests (excluding Year 3 writing).

Last term, students and staff had a 'practice test' so that we were sure that the school's ICT capabilities were ready for this form of NAPLAN. I commend the students on how they went about this practice as they were able to follow directions clearly and use their persistence and patience when learning how to use the NAPLAN App.

A big thank you in advance to Terena Evans, Georgia Lambeff and Haesil Kim for their work administering all the tests and being willing to learn the new NAPLAN processes. If you have any queries or questions about your child undertaking NAPLAN please feel free to contact the school.

God Bless!

Rebekah Ridley
Junior School Co-ordinator

Welcome back to Term 2,

It is great to see all the students and families return from their holidays refreshed and prepared for Term 2.

I trust you and your families had a blessed time together over the holidays.

This week, the Foundation- Year 5 students have had the opportunity to be involved in Footsteps dance. We have had a fantastic instructor and it has been

wonderful to watch the students try something new with such enthusiasm. Dance is a great way for children to express themselves and also create a positive mindset towards a healthy lifestyle. I commend all the students (and staff) for the way they have joined in and followed Sara's instruction.

We are also looking forward to the National Simultaneous Storytime on the 19th May, which the Junior School classes will be involved in. National Simultaneous Storytime is held annually and a picture book written by an Australian author is read simultaneously in schools, libraries and preschools around Australia. I look forward to gathering as a Junior School to listen the story Give Me Some Space by Philip Bunting.

Cross Country Run

Tscharkulda Cross Country Rock Run

Wednesday 19th May at Minnipa

Please note that students selected to participate will be notified next week, thank you

Chapel Schedule - Term 2

WK	DATE	THEME	CLASS

Crossways Fundraising

Fundraising for Royal Children's Hospital

THIS THURSDAY LUNCH TIME

Ice blocks for sale (Choice of \$1 and \$2)

Hello parents and guardians. We would like to inform you that on Tuesday, May the 18th in week 4 this term, the 8/9/10 class will be fundraising for our camp to the Northern Flinders Rangers., where we will be collaborating with an Indigenous community to work on our cultural awareness, team building, resilience, and our social and personal development. To fundraise, we will be having a cake stall down the main street of Ceduna, and an AFL/sports team themed casual clothes day. Times and prices to be confirmed. Please keep an eye on the newsletter for more information.

We appreciate your support, thank you from the 8/9/10 class.
