2021 TERM DATES

TERM 2	27th April - 25th June
TERM 3	19th July - 23rd September
TERM 4	11th October - 8th December

Principal's Word - Tony Peters

Thank you, Mum!

When I look back at what my mother did for me during my 'growing up' years, I have a lot to be thankful for. She tirelessly guided and directed me through the good and tough times and never gave up on me. Today, she is still there for me and continues to give me advice when I need it.

Without my mum's guidance, direction and the values based on

Christian principles, I'm very certain that my outlook on life would be quite different to what it is today. I would be a different person.

Our role as parents, as a mother or a father is critical to what our children grow up to be. What we say and how we say it; what we do and how we do things will more or less determine who our children will become. God guides our relationships with our parents. In fact one of his commands is to honour our mother and our father. This also means that we are to respect those in authority, police, teachers, our government etc. Even though we try hard to fulfil this command each one of us fails at this in one way or another and we need God's forgiveness. This also allows us to move on, trying to do better next time. I thank God that I can turn to him for help and strength when I do wrong, when I disappoint others, that I can confess my wrongdoing and ask for forgiveness.

Recently, Mrs Evans and I attended Ceduna Far West Restorative Leaders Group meeting. These meetings are a good opportunity to touch base with other services in the community who are embracing Restorative Practices. It is really exciting and reassuring to know that many people within Ceduna services are using the Restorative approach to restore relationships. Rather than just a punitive approach to someone who has offended, Restorative Practices allows participants to discuss what's happened, how people are feeling and most importantly, allows people to reconcile and restore relationships.

Georgia Lambeff Student Voice Coordinator

Welcome to term 2, which is well and truly underway. This term the SRC have been busy organising fundraising events already. A special mention goes to Anne-Marie and Anastasia (year 4), who used their initiative and organised the ice block fundraiser, raising money towards the Royal Children's Hospital in Melbourne. Anne-Marie has spent time in that hospital when she was younger

and wanted to support children who have to spend extended time there and miss out on regular schooling.

One of our goals this term (any year) is to establish a relationship with other schools and their SRC members, work together with different people in our community and encourage confidence in new situations. In week 4, the middle school SRC members will be meeting with the Area School SRC members and establishing a relationship with them. We will be discussing ways we can work together in the future and improve our community.

Thank-you to the Youth Hub, who are accommodating us and providing an inviting space for us to work in. We are looking forward to this event and can't wait to involve the junior school later on.

Lastly, we are happy that our SRC shirts have finally arrived. Students who have been elected as an SRC member will have the opportunity to wear a special sports polo that demonstrates their involvement and leadership in our SRC.

Terena Evans—Deputy Principal

Reward Time:

On Friday the 7th of May students were selected for 'reward time.' This is a new initiative to reward those who are consistently being a positive role model and to encourage others to make better choices so they can be rewarded as well.

Last week the Junior school students went to the new Ceduna playground. It was such a beautiful day and the girls chosen had a lovely time playing on the new equipment. Congratulations to Emily and Anastasia Muir and Brianna Harre-Temby from Year 4. Year 3 was represented by Gabriella Masierowski and in Year 1 Milana Champion was picked to keep them entertained. Congratulations to all students.

The middle school students went to The Youth Hub where they selected a range of activities to play including basketball, riding scooters, puzzles, play station games and table tennis. Thanks so much to Tracey Miller and her team for hosting us. Keep up the great work Larquitta Graham, Charlotte Harre-Temby, Nykita Miller and Ishnoor form Year 8/9/10. The 6/7 class was represented by Riley Shephard, Gareth Bilney and Shia Taylor-Champion and in Year 5 Lillian Miller-Lampard and Raya Bilney-Miller were selected.

The below criteria is required for a student to be eligible:

- Must have 100% attendance for the week
- Behave in a positive manner during learning and break times
- Attempt all task with a positive attitude

Class teachers may add additional class areas of focus which would be communicated via seesaw.

In addition to reward time students will also earn 20 points for their house teams which will be added up over the term and go towards a 'house' winning for the term. The winning house will get a shared lunch during the last week of each term.

House teams:

King Fishers – White

Sea Eagles – Red

Ospreys – Blue

I'm looking forward to the group sizes growing as we continue to celebrate great work ethics.

Terena Evans

QUALITY TIME WITH FAMILY

TUESDAY
9.30AM TO 12PM
Free tea, coffee & biscuits
Fruit for the children

EVERY TUESDAY COME ALONG TO THE COMPLEX!

COMMUNITY MEMBERS MEET UP FOR A YARN

Where we will also offer a free supported playgroup for Aboriginal families & their children 0-5 years
