Principal's Word - Tony Peters

As I mentioned in last week's newsletter, I had the opportunity to visit Lutheran schools during my time in Adelaide. Even though Lutheran schools can be different in many ways, it is evident that Lutheran schools are uniquely similar in that they have Christ as the focal point. I'd like to unpack this a bit more and spend some

time sharing with you what Lutheran Education is all about:

Vision

Lutheran education is *where love and learning come to life*

Mission

Informed and sustained by the Word of God, Lutheran learning communities are encouraged and nurtured to grow; serving, shaping and enriching the world.

Core values

Lutheran education communities draw upon the foundational beliefs and values of the Lutheran Church of Australia. Through faith in Christ, by the work of the Holy Spirit we are:

- * Shaped by the gospel of grace
- * Blessed by relationships
- * United by Christ
- * Marked by integrity

The pillars for Lutheran education beliefs and values are articulated in Lutheran Education Australia's Lifelong Qualities for Learners and include-

love
justice
compassion
forgiveness
service
humility
courage
hope
quality
appreciation

At Crossways, these values are demonstrated each day, through our interactions with one another particularly between students and between staff and students. Staff have a pivotal role in displaying what these values look like and they do an extremely good job doing this. Because of human nature, things don't always go right and relationships get broken. We see this brokenness every day and dealing with it is critical. One of the core values for Lutheran Education is FORGIVENESS and we look to Christ for his amazing example- his death on the cross for us - our brokenness fixed and mended. We too need to follow Christ's example and show forgiveness towards others because without this, our relationships continue being damaged. May God give us the courage and humility to restore our relationships with each other!

The Cross – a symbol one will find in all Lutheran Schools. How many do you see at Crossways?

Terena Evans—Deputy Principal

NAPLAN – In week 3 there was a lot of time devoted to NAPLAN testing for students in years 3, 5, 7 & 9. A huge thanks to Miss Amy Norsworthy for all the time and effort she put in to ensure the week ran smoothly, also thanks to those teachers and LSO's for their support during the week, it wouldn't have been as successful without all the help we had. It was great to see so many of our students try their best and

use their time well during the tests. In the upcoming weeks we will be provided with students test results and families will be sent a copy of their child's results.

The more we read to our children and have them read to us, the better they will cope with school and home life!

REWARD TIME – It's been so impressive seeing the reward student group size grow each week! It brings me such joy to see how excited students are when they hear they have made the list. Keep encouraging your children to do their best each week so they can make it to REWARD time.

- 100 % attendance
- Excellent effort in class

CHOIR ON TOUR

Sara Veerhuis, our talented music tutor has just started taking our choir's on tour. Last week both of the younger choirs went out to perform for different community groups. I was privileged to go on tour with the middle primary group who visited the 'Senior Citizens Village'. It makes me so proud to be a member of the Crossways team when I see these guys perform and to see the happiness it brings to others. I look forward to attending more tours and sharing our talented singers on our Facebook page.

Chaplain News

Wow, what an awesome start to term 2. I have been so blessed to have a change in job roles, and have now taken on the Chaplain role at Crossways Lutheran School.

I would like to say a big thanks to Tim for doing an awesome job and putting in to our magnificent staff

and students over the past 2 and a bit years.

I will be continuing on from where Tim left of, catching up with students, helping classes run chapel, helping out in Christian Studies lessons and just being there for you the parent, your children and the staff here at Crossways Lutheran School.

My working days are Tuesday-Friday but can be contacted anytime that you or your children need support or an ear to listen. My number is 0428017514

As this is a new role for me this term I have been trying to increase my relationships and connection with the students and making lunchtimes more interesting by running some sporting competitions.

This week we have been having soccer competitions with the grand final today, Tuesday.

I believe your child is so important and I want to do whatever I can to help them achieve their goals in life, because they are so important.

I will just leave you with this short bible verse:

Psalm 127:3 Children are a gift from the Lord; they are a reward from him

Year 2 news

Year Two's are in the process of making their own paper from RECYCLED papers. They are doing this as a part of their Science sustainability learning. The first step was to rip the papers into tiny little pieces.

The second step was adding water (we had lots of fun mixing it with our hands!). The third step is to blend the paper and flatten it out on mesh, dabbing excess water with a sponge. Once the paper is dry it is ready to REUSE. Have a wonderful week! From the Year 2's.

A selection of students travelled to Minnipa last week with Mr Woodward and Andrew McIlwraith. A very special mention to Toby Jericho who finished 6th overall and to Kaliah Lennon-Gray who finished 16th.
