TERM 3	19th July - 23rd September	
TERM 4	11th October - 8th December	

Principal's Word - Tony Peters

It seems as though we are starting the term again, after having to go into lockdown after 2 days of school last week! This was Ceduna's first attempt at a lockdown and Crossways swung into action very quickly having a day to get organised for remote teaching and learning.

Learning packs were organised, prepared and delivered on the Wednesday afternoon, ready for the

children to continue their learning from home.

I take this opportunity to let you know that the staff of

Crossways worked efficiently and very diligently during the preparation period as well as during the remote teaching and learning. Class teachers held Zoom meetings on each of the days, as well as contacting each of the families on a 1-1 basis to continue connections.

Class teachers also Zoomed in with me on a daily basis just to touch base and to see how the remote teaching and learning was going. As a school we want to build on what we

experienced and learnt this time round and to try and improve how we stay connected so that children can continue to learn even in a remote setting. Until further notice we will not be gathering together as a whole school during Chapel and Assembly and so these events will be made available online.

Please note that the Student Free Day planned for August 20 has been cancelled. This will be a normal school day.

CROSSWAYS

Let's give thanks to God that we are back at school and that we continue to live in a relatively safe environment. We pray for people affected by COVID particularly for the people of NSW where the Delta strain is running rampant at present,

Gods blessings, Tony Peters

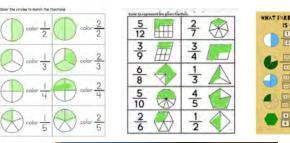

Amy Norsworthy Ciurriculum Coordinator

What a start to Term 3! Only having 2 days at school and then students and parents/caregivers tackled the task of Remote Teaching and Learning. I want to congratulate and commend you all on getting through the 7 days and how teachers, students and parents/caregivers adapted to this!

Teachers and LSOs spent time preparing the hard copy packs on Wednesday and

we have had very positive feedback about the quality of these! Well done staff! The Zoom sessions daily assisted students to ask questions and share their learning with each other. Just the fact that students could see each other daily was great for their wellbeing. How lucky many of us are to be able to access this technology. Teachers have loved seeing their students learning at home through photos and on Seesaw. We are blessed to be able to be back at school this Wednesday. I look forward to seeing the students come together again face-to-face as well as seeing the learning and fun continue in the classroom!

Lockdown Week !

Wow, what a crazy start to Term 3 we have had! Although the lockdown came as a sudden shock, it was great to see the Crossways staff join together and help each other to plan and prepare remote learning packs for our students. It was great to have a number of students from Year 1 Zoom regularly and keep me updated with their learning via SeeSaw and phone calls. The opportunity for students to connect via Zoom to discuss their learning and to also check in with one another was a great way to keep up a bit of regularity with education.

Well done to the parents and caregivers during this time for supporting children, staff and the school with the uncertainty of remote learning. We are very blessed to have such a wonderful, supportive community here at Crossways.

I look forward to seeing all of the children return for business as usual Wednesday morning.

God Bless, Miss Bahr.
