Above Right : Excellence in P.E. (TeNeill Matthews-Richards)

Above Left : Year 2 Award winner (Indi Champion)

Above Right : Year 3 Award winner (Abel Sarin)

100% Attendance winners

Congratulations!

Crossways Calendar

Week 10 (Wed 22/9)	Footy Colours Day - Footy Match
Week 10 (Wed 22/9)	1.30pm Celebration of Learning
Week 10 (Wed 22/9)	Last Day of Term 3
Week 10 (Thu 23/9)	Student Led Conf. (Student Free Day)

2021 TERM DATES

TERM 3	19th July - 22nd September
TERM 4	11th October - 8th December

Principal's Word - Tony Peters

He sat down and summoned the Twelve. "So you want first place? Then take the last place. Be the servant of all." (Mark 9:35)

Fairly direct, isn't it?! Jesus says to his apostles if you want to follow me you need to serve others. In fact he said to drop everything, leave it all behind and follow me. What would you say if Jesus asked you to do this? What does

it mean for us? During a devotion this week, Bek Ridley shared a music video titled 'Do Something' which is a good way to begin our servanthood in community. Do something like listen, care, stand up for justice, forgive, confess, love and serve in any way you can. We all have been given gifts from God which we can use to serve others. I pray we can recognise our gifts and to use them to glorify God!

There are some important events coming up so please take note of the following-

Next Wednesday 22nd September will be the last day of term for students. We will have Chapel in the morning and Whole School Assembly straight after lunch and Footy Colours Day footy match to finish the day off. Children can wear their favourite team colours and have a sausage sizzle for \$2 to raise money to support children with cancer. Unfortunately, due to COVID restrictions we cannot invite you to join us during these events.

As you would be aware, Student-Led Conferences will be different next week due to the continued COVID restrictions in place. You have the opportunity to speak with your child's teacher via phone on Thursday 23rd September.

You will also receive your child's learning journey via Seesaw, email, USB or hard copy and you will receive this prior to the telephone conversation so that you have the opportunity to discuss the learning with your child and then with the teacher.

If you haven't done so already please contact the office to organise a time to speak with your child's teacher. Also please note that Thursday 23rd September is a student-free day for the purpose of speaking with your child's teacher.

God's blessings,

Tony Peters

Terena Evans—Deputy Principal

Highlights of Term 3

Well here we are already in week 9 and how the term has flown. We had a rocky start with a lock down in the first week, however we were very fortunate that it was the only one for SA.

Electives

I've been really pleased with how our first round of electives have gone this term. Students are

really enjoying their Friday choices and it has been fantastic to see so many different skills being taught and what students are creating particularly in the hands-on activities.

Choir on tour

I've been privileged enough to get to go on a middle school choir tour with Sara and the students to the Lutheran Church to perform for the ladies bible study group. This week we will also be visiting the Penong school and performing for the staff and students there.

Middle School art

This term we have been very busy working on up-cycling goods that we found at the Ceduna Recycling centre. It has been a BIG project which has taken most of the term to get projects completed, however I'm really looking forward to seeing all the students works come together to brighten up the school and teach the value of up-cycling. (Sorry to those parents who have children come home covered in paint, however I can say for sure, the students have had a lot of fun.)

Reward time for the Junior school students

As the middle school students have their elective Friday, we have dropped reward time for them, however it still seems very popular for the junior school students (year F – 4.) It has been wonderful to see the group size grow steadily over the term with our largest group size being 25.

I'd like to take this opportunity to thank all parents and caregivers for the support you show the school through ensuring your child is here regularly, in uniform, completing their homework, responding to emails, texts or phone calls and mostly backing up the school with our student behaviour management process. It really does help to have family support in the growing of all children.

Safe travels if you are going anywhere, otherwise enjoy the time with your families.

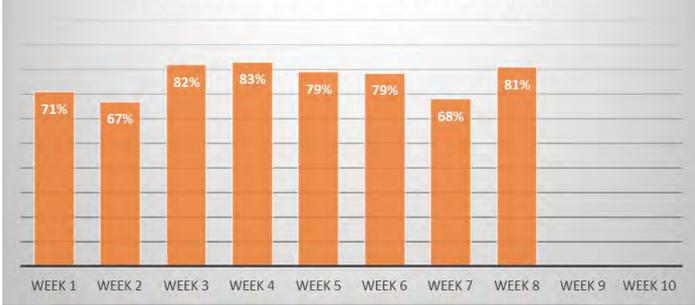

God bless

Terena Evans

In the style of Paul Cezanne's apples

SRC Report

Throughout the term, the SRC have been involved in numerous meetings, decision making and have organised some fundraisers for the school which have helped to raise money for our Junior School Playground equipment. Over the term, the SRC members have been involved in regular meetings where the opportunity to raise concerns from their classes, express their ideas on our school uniform, as well as contributing to the school's *Master Plan*. Next week, the students will meet with Gary Clarke where they are able to express their ideas and thoughts on our Master Plan. It is important that students have the opportunity to contribute their ideas to decisions made at school, as well as developing their leadership skills and confidence.

Here are the SRC members for Semester 2:

- Year 2 – Milana Champion and Taliqa Newchurch
- Year 3 – Ciarah Gunter and Ciara Lennon-Gray
- Year 4 – Emily Muir and Zack Prideaux
- Year 5 – Halle Miller and Raya Bilney-Miller
- Year 6/7 – Aroha Papanoa and Riley Shephard
- Year 8/9/10 – Lala Graham and Noah Champion

Georgia Lambeff, Student Voice Coordinator.

Would you like a say in the future of our school?

Come to a parent / carer forum to discuss

- *What's working well in the school*
- *What's not working well in the school*
- *What would you add to the school or change to help make the school even better ?*

facilitated by Gary Clarke (Strategic Planning Facilitator)

Tuesday 21st September

5.30–6.30pm In the School Library

Crèche & Refreshments available

Please contact the school on 86252873 to register your attendance

Year 4 Camp

On Wednesday 8th September the Year 4 class arrived at school and packed the bus ready for our big adventure. The bus trip was just under 2 hours long, we arrived at Streaky Bay around 11:15am had recess and a Bakery Lunch at the playground on the foreshore. When then arrived at Coodlie Park around 2pm.

Day 1 started off with an adventure to Talia Caves, we then went on a Stargazing and Wildlife tour at the Park, we saw a few wombats and kangaroos, and then got to see a shooting star and a satellite station at our stargazing destination. Day 2 was a day of confidence building and adventure. We broke into two groups, group one headed off early for their Swim with the Dolphin and Sealion adventure, it turned out to be a little rough at sea to swim with the dolphins, however, they got to sightsee the dolphins and got up really close to them in the boat. Students then got to swim with a sealion, and we saw a few bulls, calves and pups on the island. While group one was having their adventure, group two went on the South Head Walking trail at Venus Bay. The groups then swapped over in the afternoon. The day was great fun and we ended the day with Marshmallows around the fire, a quiz night and a game of Storm the Lantern. Day 3 started with a yummy breakfast of pancakes, we then packed up our campsite headed to Murphy's Haystacks and had fun exploring the rock formations, and then finished our camp with a nice Bakery lunch at Streaky Bay.

I was very impressed with the student's willingness to give all activities ago and for some had the opportunity to go on a boat for the first time. I was also impressed with how encouraging they were of each other, and the behaviour they displayed on camp. The camp was a time for students to strengthen friendships and bond as a class, as well as a way to step out of their comfort zone.

A big thank you to Mr Peters for driving one of the buses and Hannah for helping out on camp.

Mr Champion

Chapel Schedule - Term 3

Wk	Theme	Class/SRC	Guest presenter
9	Servant hearts	Foundation & Bek with ELC	Andrew M

A great effort Riley

Riley Mullen has just completed his very successful motocross season for 2021.

During this year he raced at 10 different locations including "State Championships" in 5 locations (Gillmanx2, Renmark, Keith and Ceduna) in which he completed as a State Champion on his KTM 50cc and 3rd in the state on his KTM 65cc. He also raced the "Prince of The Gulf" at Pt Pirie and finished 1st on his KTM 50cc & 2nd on his KTM 65cc. The other 4 races were raced in the "EP Series" which took place at Pt Lincoln, Whyalla, Ceduna & Kimba and he finished overall 1st on both his KTM 50cc & KTM 65cc. Riley loves to race & loves the support he gets from his sponsors and followers. Now that he has finished racing for his 2nd year, we would like to take this opportunity to again thank those who supported him with all your kind words and wishes & we will look forward to another fun year next year. We are so very proud of him and so grateful for the support we get from our community and both Riley & Millie teachers over the year for the time off they have for travelling to these events.

Jon & Lisa Mullen
