Wk 9 (Wed 8/12)	Last Day of Term 4
Wk 9 (Wed 8/12)	Celebration of Learning (Evening)

## 2021 TERM DATES

TERM 4	11th October - 8th December
--------	-----------------------------

## Principal's Word - Tony Peters

Amazingly we are back in to a new term at Crossways Lutheran School and the final one for 2021, so welcome back to a new term!

### FOOTY COLOURS DAY

Our final day last term saw a myriad of colours where students and staff dressed up in a favourite sports team, raising money for cancer research in our annual Footy Colours Day. Unfortunately, due to COVID

restrictions, staff could not receive the assistance from parents this year and so it was going to be a tough match. The students started out very strong and had the lead by a couple of goals at the end of the 1<sup>st</sup> quarter but things started to change from here on in. the staff side rallied together and were able to gain the lead late in the 2<sup>nd</sup> quarter and maintained the lead for the remainder of the game to win quite comfortably in the end.

A big thank you to the Youth Hub and the RSAS Team who provided a sausage sizzle for lunch as well as umpires for the game. A wonderful effort!

### STUDENT-LED CONFERENCES

Though COVID put a halt to our normal Student-Led Conferences at the end of last term, I was very pleased with the number of parents and carers who were able to connect via a phone conversation. It was also very pleasing to hear that some students also were involved in the conversations making this a very worthwhile and important opportunity.

### CANTEEN

Over the past year and half or so, there have been some significant changes to the canteen menu. As a school, we have a responsibility to provide healthy food and drink options for children to eat and drink. A small group of people have been meeting to discuss the ongoing operations of the canteen as well as the School Board have regular discussions. Students' ideas and suggestions are also valued and put into practice.

### CLASS NEWSLETTERS

This term all classroom teachers will be publishing a class newsletter in Weeks 1, 5 and 9. Please keep an eye out for these newsletters as they provide important information about what your child is learning, events that are happening at the school and any other information that is necessary to communicate with you. Most families have access to SeeSaw which is

another effective form of communication which classroom teachers are using often to share student progress and relevant information to keep you in touch and informed about what is happening at your child's school. If you are not receiving this information, please contact your child's teacher.

### CELEBRATING THE ARTS

Later this term on Thursday 2<sup>nd</sup> December, Crossways Lutheran School will showcase The Arts. This will include visual art work created by students across the school as well students who are involved in the Music program with Sara. The Arts showcase will be open to the school families as well as the wider community and will be open from 5-7pm. More details will follow so, please keep this evening free so that you can enjoy and experience the students' creativity!

As we get into the term, I pray that we can work together using the Christian values that are an integral part of the school, providing great teaching and learning opportunities for the students who attend Crossways.

God's blessings!

Up to 10 **Scholarships** available. Application forms available at the front office. Applications close Friday 3 December 2021 Includes **one year's school fees** and a set of **winter and summer uniforms**.

## Terena Evans—Deputy Principal

Welcome back to our Crossways families. I hope you had a restful break and managed to spend some quality time with loved ones.

My break was the opposite of restful, however I did get plenty of quality time with family and friends.

The first weekend was spent in Adelaide with my daughter. We caught up with my sister and her family and also friends, so it

was very enjoyable but also hectic.

The long weekend we had friends come to stay so we had a full house, 6 adults and 7 kids and we were very glad to get 1 day of decent weather where we took them to Davenport Creek for jet skiing and fishing.

The last few day of the holidays was spend celebrating one of my dear friends 40<sup>th</sup> and a teacher at our school. A group of 12 ladies spend 2 nights at a beautiful accommodation in Port Lincoln enjoying the scenery, shopping and celebrating life.

### Electives:

This term electives will continue for the middle school students with one addition.

Again outdoor education, cooking, woodwork, textiles, macramé, murals, arts and craft and band will continue to be offered but we have also added swimming where students will walk to the indoor swimming pool down the road and work on their endurance, stroke styles and of course some fun time at the end of each session.

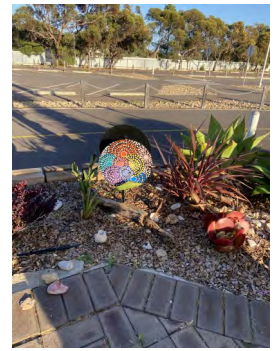

We have seen such positive results from our elective program along with great feedback from the students. If you have any feedback or suggestions from a parent/caregiver perspective please email me: [tevans@crossways.sa.edu.au](mailto:tevans@crossways.sa.edu.au).

### Public Art:

Over Term 3 there were a few different projects underway including 'murals' as part of the elective program and up-cycling. You can see some of the works students created in the front garden near the administration block and alongside the art room where students work is on display.

Keep an eye on the fence as you drive out of the carpark for some metal work which was also completed during the murals electives and artwork across the front fence of the school which was completed over Term 2 & 3. This ties is perfectly with the school statement "Working together towards a brighter future."

Terena Evans

Congratulations to Lekiesha Ware who entered the below 'Angel' art piece into the local WestArt Exhibition over the holidays and won 2nd prize in the Under 18 category. Congratulations Lekiesha!!!

# FOOTY

On the last day of Term 3, the Crossways Students challenged the Crossways Staff of a game of football as part of Footy Colours Day. Footy Colours Day is held to raise funds for children with Cancer. \$123 was raised by the students and the match was won by the teachers.

## Chapel Schedule - Term 3

Wk	Theme	Class/SRC	Guest presenter
1	Greatness	SRC	Tony/Terena
2	True Eyesight	YEAR 2	Emily
