Wk 9 (Wed 8/12)	Submission of assignments (Evening)
TERM 4	11th October - 8th December

## 2021 TERM DATES

## Principal's Word - Tony Peters

### Greatness

Last week during staff devotional time, we explored the verse from Mark 10:43-45, *"Instead, whoever wants to become great among you must be your servant, and whoever wants to be first must be slave of all. For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many."*

This passage was a good way to begin the new term as it reminds us of what Jesus did for us by giving his life for us. Jesus'

action of sacrifice for us is a reminder of what we need to be doing with our sisters and brothers, in other words, with everyone. We ought to be serving one another day in and day out by starting with the little things like greeting someone with a hello, good morning or a how are you?. We can also serve others by reconciling with those whom we've had an issue with. Taking the courage to first of all catch up with that person and then to confess the wrong. This is what makes us into what God is talking about – greatness! If we take a closer look at Jesus' ministry, we see that he served with humility and so for us, we serve with humility not wanting anything in return but to serve others from the goodness and strength that God provides.

### Church @ School

On Sunday 31<sup>st</sup> October, we will be holding a Church at School service where you are warmly invited to join the School and Lutheran Church community for a time of fellowship.

The service will take place in the school's chapel/assembly area and will start at 10.30am. Sunday School will be provided for the children during the service and morning tea will be available directly after the service. This will be the last Church at School service for the year.

### The Arts

The Arts program at Crossways allow students the opportunity to explore, imagine and to create and it's something we can all be proud of. Terena Evans, who coordinates the Middle School Visual Art Program, provides many opportunities for students to expand on their knowledge and practical skills in using a variety of mediums. There are always projects on the go! One recent project has been the upcycling of materials which students found at the local refuse tip. In a world where many things are just thrown out because it may be too old or can't be used any longer, the opportunity for children to learn that many items can be reused is valuable. Together with imagination and creativity, there are now pieces of work which can be admired and enjoyed by other members of the school and wider community. You will see some of this creative work near the carpark.

Lois Haynes works with Junior School students on their Visual Arts and these children are also producing some amazing works of art. During her lessons, Lois introduces different artists with different styles, allowing children to explore artists and how they can use their techniques in their own work.

Sara Veerhuis efforts with our school choirs, individual students who are wanting to learn a musical instrument as well as working with a band is exceptional. Students have the opportunity to deliver their gift of music to others in the school and wider community. A current project which Sara and the choirs are working on is the recording of 2 Christmas carols which hopefully will be aired on FLOWFM leading up to Christmas.

Later on this year and on December 1st, we will be celebrating The Arts during an evening where you will have the opportunity to see, appreciate and enjoy the gifts and talents of our Crossways students in their artwork and music. Please keep an eye out for more information about this evening!

God's blessings,

**Tony Peters (Principal)**

Up to 10 **Scholarships** available. Application forms available at the front office. Applications close Friday 3 December 2021 Includes **one year's school fees** and a set of **winter and summer uniforms**.

## Reward Time Week 1

## Middle School Arts

Crossways Lutheran School Middle School students submitted some artwork in the local WESTART Art Exhibition recently.

Kenniesha Ware (above left) won 2nd prize in the U/18 category.

The Middle School textiles students exhibited a large fabric wall hanging. Lou Hissey worked with students during electives and produced this quilted wall hanging.

# SCHOOL Attendance

Attendance : Whole School Average  
Term 4, 2021

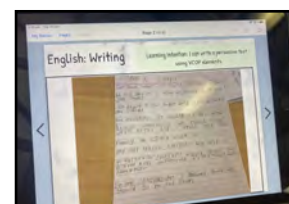

**SCHOOL AIM - Equal to or Greater Than 90%**

## Amy Norsworthy Curriculum Coordinator

Wow! Term 4 already! It was great to see that at the end of Term 3 students were engaged and excited to show off their learning in their Student Led Portfolio. Even though we couldn't do the conferences in person, the conversations during the Student Free Day with caregivers were extremely beneficial and it was great to discuss the students learning in more detail. Thanks to the staff who worked with students to prepare their portfolio and were so flexible with the new format! Also, well done to the students for putting in their best effort to celebrate their learning from the year!

## Anthony Caretti Middle School Co-ordinator

Week 2 of Term 4, 2021, how this year has flown by. I cannot believe that I have nearly been teaching at Crossways for a year already. It has been a great start to our final term. The students in the Middle School have come back settled and ready to engage in new learning for their new topics. Just on last term, it was very rewarding to have so many families engage in our Middle School Student Led Phone Conferences.

Students worked hard in producing a learning portfolio where they were able to document their learning and present these to their families. I would also like to congratulate all the students who received awards based on their engagement and learning last term. New this term in the Middle School, we have implemented a Literacy Intervention program, targeting small groups of students based on individual needs and literacy abilities.

Language and reading assessments were completed across the Middle School over term 3, which provided us valuable information to inform our intervention program. The interventions are called 'Literacy Blocks' and students engage in these small group sessions three times a week. The program seems to have been taken up really well by the students and they are engaging positively. Additionally, our elective program has become a highlight of the week for students and is continuing to have strong participation in all electives chosen by students.

There is so much to look forward to this term as we lead into our summer holidays for 2021. I look forward to some exciting events coming up. Be sure to keep updated with our school Newsletter and Facebook page for information regarding events.

Students participating in Outdoor Education at Ceduna Waters where they did a coastal clean-up walk.

## Chapel Schedule - Term 3

Wk	Theme	Class/SRC	Guest presenter
2	True Eyesight	YEAR 2	Emily
