Wk 9 (Wed 8/12)	Celebration of Learning (Evening)

2021 TERM DATES

TERM 4	11th October - 8th December
--------	-----------------------------

Principal's Word - Tony Peters

The Truth

Then Jesus turned to the Jews who had claimed to believe in him. "If you stick with this, living out what I tell you, you are my disciples for sure. Then you will experience for yourselves the truth, and the truth will free you."

John 8: 31-32

This is our theme for the week – the truth.

First of all I'd like to explore the meaning of truth in our own lives. As parents, we want our children to tell the truth, don't we? When our child does something wrong and we want to find out more about what happened, we often ask our child to please tell the truth. We want them to cut to the chase rather than going around in circles and spending a heap of time trying to figure out the truth.

We want our children to walk with us, and to trust in us, including how we provide a consequence when there needs to be one.

Similarly, Jesus wants us to walk with him, to have complete trust in him (faith!). He wants us to have a personal relationship with him so that we too can understand and know that what he says to us is the truth. And by following Jesus' way – how we ought to live and serve one another, we can have that promise of freedom.

Science Show

On Tuesday of this week, the Science Collective, directed by Brian Haddy, came to Crossways and offered a wonderful variety of explorative opportunities for students from Koonibba, Karcultaby, Miltaburra and Crossways. Apart from very hot and windy conditions, which created its own challenges for some, the day provided very engaging activities and tasks for all students. For Crossways to host something like this and to be able to cater for other schools to join in is important and is and needs to be who we are as a school- building connections and partnerships. I spoke to one visiting teacher who had been teaching at their school for 27 years and they said it was the first opportunity to visit Crossways!

Camps & Sleepovers

This term we will see the completion of our outdoor education program with Year 3s having completed their camp at Streaky Bay, the Year 1s and 2s will have their sleepover at the end of the week and the Year 6/7 group will venture to Whyalla for their annual camp. I commend classroom teachers who put in a lot of time organising these critical opportunities for children to spend time away from home learning vital life-long skills. I also thank the LSOs who accompany teachers and students on camps and sleepovers, providing support, supervision and guidance.

Diverse Learning Opportunities

At Crossways Lutheran School, students receive a range of learning opportunities which develop social, academic, physical and spiritual skills. The school is dedicated to continual improvement and looking at ways which enhance the whole being of each child who attends the school. To do this successfully we need to keep going back to the school's vision and to put this in to action. We all have a role to play, whether we are parent, student, teacher, LSO, or principal : **Working together towards a brighter future.**

Up to 10 **Scholarships** available. Application forms available at the front office. Applications close Friday 3 December 2021 Includes **one year's school fees** and a set of **winter and summer uniforms.**

Terena Evans—Deputy Principal

Visual Arts photography excursion

On Monday 25th of October the Year 5 and 8/9/10 classes along with staff headed off to Penong, Cactus and Point Sinclair to explore the coastline and capture the beauty of the area we are blessed to live in. The weather was a perfect 29 degrees with low winds.

Students will be choosing 1 photo to display at the end of year Art Exhibition held in week 8, they will also transfer one of their photos to a soft pastel or water colour artwork that will also be on display and for sale.

Middle School Electives

Again this term we are running Friday electives with the middle school students.

This term we have added swimming at the pool which involves improving fitness and stroke style along with some free time fun!

Outdoor Education and Textiles are running again and have proven to be our most popular electives. Woodwork and cooking continues as does macramé, murals and band which have also proven to be a popular option.

Some of the works created in the electives will also be on show at the end of year exhibition and our students will also be preparing and serving finger food to our guests with all choirs and our band performing over the evening!!!!

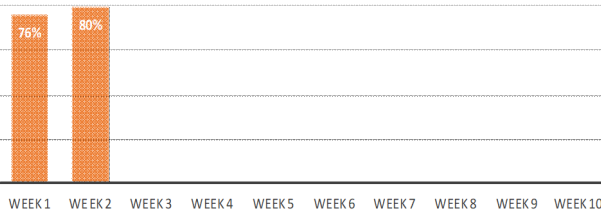

We look forward to seeing our school and wider community at this event.

SCHOOL Attendance

Attendance : Whole School Average

Term 4, 2021

SCHOOL AIM - Equal to or Greater Than 90%

STRATEGIC PLANNING

If you would like to pass on your responses to **GARY CLARKE**, you can do so by emailing him on gary@liftinglids.com.au

Working Together Towards a Brighter Future

Foundation Class

Welcome to Term 3! We are having a blast in Foundation, we love learning together in our classroom. This term we are enjoying having Miss Tayla join our class as she completes her final placement.

This term we have started investigation time where we do play based learning focused on our classroom topics and learning. Here are some pictures of our adventures.

Science Fair at Crossways

Working Together Towards a Brighter Future 

SRC NEWS

Welcome to our final term of 2021! Our SRC members for the semester have been busy meeting regularly and discussing important events. Last term they were involved in the 'School's Strategic Plan' planning process with Gary Clarke, and were asked numerous questions and had to provide feedback on behalf of the student body. It is important that students have their say in decisions around the school and Mr Clarke was impressed with the Students' responses.

Students were also involved this semester in decisions around uniform and are working with Kat Guidera and the School Board to come up with different uniform options.

Next year, we will be electing new SRC members. If you are interested in being involved in our school's SRC, stay tuned for the election process and dates.

Mrs Lambeff

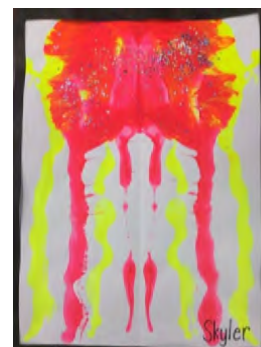

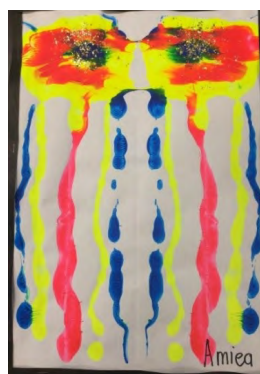

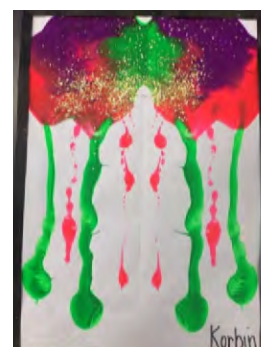

SAPSASA

Crossways students (Aroha Paparaoa, Shia Taylor-Champion and Kaliah Lennon-Gray) were chosen to represent Western Eyre at SAPSASA Football in Adelaide.

Foundation Class Art

"Jiggling Jellyfish" by the Foundation Class, which have invaded our Chapel area!
