## Principal's Word - Tony Peters

### Nearly complete

We're almost at the end of the school year and this will be the final formal newsletter. I take this opportunity to thank you for whatever you have done to make connections with the school, helping your child grow and develop as a positive and responsible citizen. The world is changing dramatically and I believe Crossways Lutheran School offers a very good

foundation for your child where they have the opportunity learn a multitude of skills. Lutheran Education Australia produced an excellent text called *Living in community- values for Lutheran schools; Lifelong Qualities for Learners*. This poster is displayed in the school as a reminder of the values that we endeavour to live by each day:

LOVE                      JUSTICE                      COMPASSION  
COURAGE                FORGIVENESS                SERVICE  
**HUMILITY**                **HOPE**  
**QUALITY**                APPRECIATION

When one examines what has taken place this year not only at school but in our personal lives at home and in the community, we ALL fall short of not being able to exhibit all these values every day. At school we do try our best as staff to demonstrate these values through our thoughts, words and actions but at times we fail. We understand and acknowledge that we are not perfect but that does not mean we do things half-heartedly either or give up. Quite the opposite actually!

We get back up and we try again and again because we know God loves us so much and he understands our shortcomings and our failings and he forgives us. Because of this wonderful grace, we are able to try over and over again, trying our best to improve. As we model this, our hope is that our children also persevere and never give up.

I wish you a blessed Christmas, one that is filled with hope, joy and peace. May you have the opportunity to celebrate the birth of Jesus, the coming of the promised One who gives us all we need. May the time you spend with your children be a time of bonding, a time of healing and a time of thankfulness.

### Good to Great Schools Australia

During the last couple of months, Crossways has worked with Good to Great Schools Australia on an initiative which looks at implementing teaching and learning programs with fidelity so that we have great teachers delivering effective instruction to every child. The model develops the general capabilities of every child by ensuring they achieve maximum learning growth each year.

Beginning in 2022, Crossways will implement the Mathematics program across the school. Already staff are receiving significant curriculum professional development to hone their classroom skills. I will be keeping you informed with progress as we roll out the program.

## German Classes

Dear students, parents and caregivers,  
Liebe Kinder, Eltern und Erziehungsberechtigte,  
This will be my final newsletter not only for the year but for a long time. As many of you know, our family is growing with another baby arriving soon, therefore I will be on maternity leave.

We will be also leaving Ceduna to live in Germany and be with my family mid next year.

I have been part of the awesome Crossways family for over 10 years and I really appreciate being a part of them. I will miss every student, staff member and family, I have met on the way. It has been a great and memorable time and I am very grateful for it.

Some Photos from German lessons from this term. I hope you have enjoyed hearing some German words at home and wondered what your kids were saying. Maybe you can remember a few words, e.g. how to count to 10 and say bitte (please) and danke (thanks)

Danke schoen and thank you for everything  
Auf Wiedersehen- See you soon

*Steffi Bergmann*

### Middle School News

The classes have had an informal class competition going where they are designing a Christmas theme door. We are really starting to feel the Christmas cheer with the wonderful and creative decorations that are being created and displayed inside each classroom and in the corridor. The displays will be on

show for the 'Carnival of the Arts' which is Wednesday the 1st of December from 5pm.

We look forward to showcasing ELC, Junior School and Middle school artworks created over the year along with creations from electives including textiles and macramé. Many items will be for sale and can be collected at the end of the evening if paid for.
