Principal's Word - Tony Peters

I, along with the Crossways' Staff, are very much looking forward to ALL students returning to school on Monday 14 February.

For the whole school community, it has been an awkward beginning for the new school year – something which we have never experienced before. Having less than half of the student population begin school and more than half learning from home is

not the start we wanted, however, Staff are working hard to

make sure all students are learning. Thank you to the parents and carers for the work you are doing at home for children who are learning from home.

For months now, the school has implemented strategies to minimise risks associated with provide a safer environment for staff and students. These include but not limited to-

- * Mask wearing
- * Social distancing
- * Installing air purifiers in Learning Spaces
- * Natural air ventilation in Learning Spaces
- * Verbal and visual reminders about safe practices

We ask that you please adhere to the following guidelines when you are on the school site –

- * Wear a mask
- * QR code check-in
- * Do not enter learning spaces
- * Minimise you time on site

We welcome our new staff members for the 2022 School year. On Friday 21 January, the new staff participated in an induction where they explored and contributed towards their purpose in a Lutheran School and leadership formation using the Growing Deep document.

God's blessings

WELCOME
TO OUR NEW STAFF!

**Adam
Borgas**

My name is Adam Borgas and I have been employed as the Wellbeing teacher and Chaplain (12 months) at Crossways for 2022. I come to Ceduna from Waikerie in the Riverland of SA, so I am going from 'river views' to 'sea views'. I am living at Thevenard this year in a fisherman's cottage and am enjoying the sea breeze almost every night!

I thank my family for realising that I needed an adventure. They have let me travel ahead of them (fingers crossed!) to Ceduna, while they are still in Waikerie. We figured that I could settle in easier ahead of them possibly making the move also at the end of the year. With time we will know how that will eventuate, and until then, I read bedtime stories to my 6 year old (Ava) every night, as well as talk to my tween and teen, Grace (14) and Sam (12). My wife Necia and I also trade stories and support each other long distance.

I am grateful for those families I have met already at Crossways, and look forward to meeting others as we get into the term. I am here to support all families, all students and all staff. This was my former job as principal of Waikerie Lutheran Primary School (the last 10 years).

Here at the Crossways family, every member is valuable as we are all a part of God's family. I look forward to helping Crossways and it's members be the best version of themselves that they can be with God as our school Dad!

**Welcome
to Crossways
Mr Borgas !**

Amy Norsworthy Curriculum Coordinator

Welcome back to 2022! I hope you all had a fantastic break and a blessed Christmas and New Year.

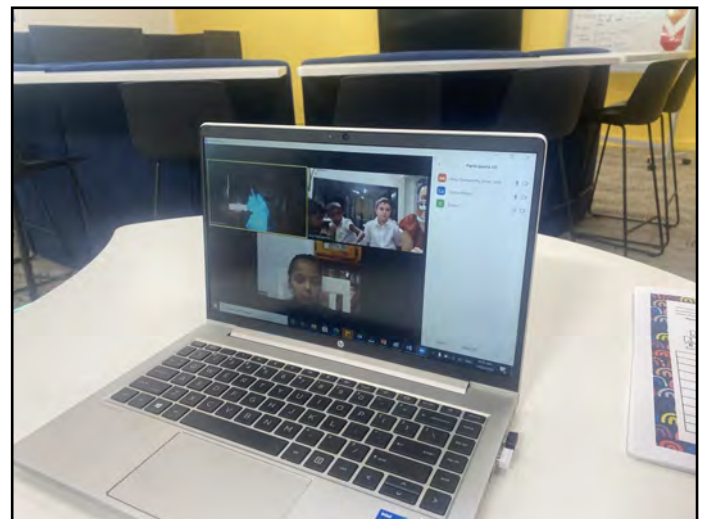

I am fortunate enough to again be able to support staff and students with their learning and planning of the curriculum this year.

Although the learning may look different for some students at the moment, it has been great to see all classes beginning the

year positively.

The Foundation, Year 1 and Year 6-10 students have been lucky enough to be face to face at school. I have enjoyed seeing those classes enthusiasm and already positive relationships and learning habits being formed. For the Year 2-5 students who are learning remotely, Zoom sessions have been a great way for students to see and interact with each other daily.

I would like to thank all the teachers who have spent time creating quality learning packs for their students who are learning at home. It has been great to see students returning their packs for teachers to see how they are going so that we can best prepare for future teaching and learning. I hope to see all of you very soon!

Laptop Donations

Larquitta Graham and Shontayah McIlwraith being presented with a Laptop each from Brenz Saunders (Founder and CEO) of **Garu Infotech**. Larquitta and Shontayah have begun their Year 11 schooling at Loreto College in Adelaide.

On behalf of the school community we wish to thank Brenz for providing IT tools which will be of great assistance with the students' learning.

Middle School Toilets Upgrade

At the end of last year some keen students were involved in coming up with ideas to improve the look and vibe of their toilets. Janet Gregor from Ceduna Signs completed the project over the school holidays and students have enjoyed the fresh look and positive quotes!!!

Anthony Caretti Middle School Coordinator

Welcome back to Crossways for 2022! I am excited to be back for another year as the Middle School Coordinator and the senior class teacher.

What a start to the year we are experiencing. This start to the new school year is uncharted territory for all of us. It is amazing to see the resilience and support that our school community is showing in banding together to still provide a quality education and learning experience for our students as best we can.

The Middle School has picked up right where it left off last year with our extensive elective program, literacy blocks, and starting soon a new numeracy program. The year 5's have been engaging well in their remote learning, and the rest of the students being engaged on site in some noticeable positive learning.

I am looking forward to next week on Monday where we will be back on deck for whole school face to face learning and seeing all the students that we have not seen yet!

Lunch Ordering

Due to congestion in the front office at present whilst COVID restrictions are tight, we are asking that parents limit their presence in the front office and do children's **lunch orders at home** or for the students to ask their LSO's to help them in the classroom with their orders.

Thankyou
