Principal's Word - Tony Peters

God's Peace

Jesus said, "Peace I leave with you; my peace I give to you. I do not give to you as the world gives. Do not let your hearts be troubled, and do not let them be afraid." John 14:27

Just the other day, my wife reminded of some of the trips we've made to the beach with friends and I've ended up lying on the sand having a snooze while they continued exploring. With the sound of the wind and waves, I find great solitude and peace just lying there and taking a breather.

Do you go to a special place to find peace? Is there something unique and special in your life which brings you that peace?

God's peace is very different. The peace he provides doesn't need us to go anywhere. It's knowing what God has done – that sacrifice; the belief he can provide for our needs; the belief he loves us; and that peace that comes from God which allows us to serve others.

COVID19 Safe Practices Update

There have been easing of restrictions. For visitors to the ELC and School, including parents and carers, the following applies-

As we are holding Chapel and Assembly outdoors, visitors can attend.

All adult visitors are strongly recommended (but not required) to wear a face mask when indoors, practise physical distancing, and not attend the site if unwell.

Please continue to minimise your time indoors.

Reconciliation Week

Last Friday marked the beginning of Reconciliation Week which continues into this week. The theme this year is 'BE BRAVE, MAKE CHANGE' and as a School we are getting involved in a number of ways. Classes are doing a number of activities to explore this theme and in particular how each of us can be brave enough to make those necessary changes in our relationships with one another. As an example, is there someone you've offended? Could this be an opportunity to change things around by having the courage to say sorry.

Joy Reid was invited to the school this week, to share some selected children's stories with students during lunch time in the library. The children enjoyed connecting with Joy and we thank Joy for her continued time and commitment with our School community.

Student-Free Days

This year, we no longer have PD (Professional Development) Week in the middle of the year. This has been replaced by student-free days throughout the year. This allows for far greater flexibility in getting the professional development we require for the staff here and so the PD days this year were determined towards the end of last year.

Please take note that there are 3 student-free days coming our way this term. They are –

Monday 6 June, Friday 10 June, Monday 27 June

Blessings,

Tony Peters

Growing our Relationships

Middle School Coordinator

Week 5 already! This term is flying by. I am sure I share with a lot of you the impact that COVID-19 has had on our schooling and local community over the last term. It has been one that has showed how resilient and adapting we are to keep persisting through uncertain and tough times to ensure our students are still learning. So, I thank you all in our learning community

for this. I would also like to say welcome back to our 6/7 class in the Middle School that was closed for 3 days a couple of weeks ago. The Middle School was very quiet without you all. We chose to pause our GGSA Maths, and literacy block programs due to staff and student absences but we were pleased to see them resume last week. We have some exciting sporting events this term, we have already seen students participate in SAPSASSA football trials, congratulations to Peyton, Gemma, Kylinda, Jakylah, Iyraeah and Shazniquah. Iyraeah, Peyton and Halle were also selected in the SAPSASSA Netball team for later this term. We also have 9-a-side football at Ceduna Area School coming up for our year 7-9 students which will be an enjoyable day out.

The Youth Hub are back into the Middle School this week to continue their work with their mentoring sessions.

Additionally, we are excited to announce a new program for the 8/9/10, which has commenced this week. It is an exciting opportunity in collaboration Ceduna Youth Hub, Norwood Football club, and The Duke of Edinburgh's International Award that our 8/9/10 class will participate in. This program offers students to give back to their community, embrace structure and purpose, build essential life skills and gain employability skills. I wish you all a blessed rest of the term and look forward to sharing with you more exciting news with you later in the Term.

Warm Regards,

Anthony Caretti - Middle School Coordinator
