2022 TERM DATES

TERM 4	17 October 2022 - 15 December 2022
--------	------------------------------------

Terena Evans—Deputy Principal

Reward time

This year 'Reward Time' is being held at the Ceduna Foreshore Playground each Friday. Students are selected by their teachers based on the following criteria:

- * **Being on time**
- * **Attending daily**
- * **Wearing school uniform**
- * **Completing tasks to the best of their ability**
- * **Showing respect to all**

Plus some teachers also add their own criteria for example, completing homework.

I had a meeting with both Year 3/4 classes and discussed some other 'reward time options,' in the hope to motivate more students to strive to do their best, so they can be rewarded. We discussed attending a minimum of 4 days per week to take into consideration the current climate we are living in with the continued message to stay home if sick. Students were asked what other options they would like to be available, including using the Science Lab in the middle school, going to the Blues Club and using their outdoor facilities and bike riding. I am happy to announce that the Youth Hub are keen to support the older students with activities at the hub' and the Blues club will allow us to use their premises also. What a fabulous community we live in!!!!

Each week I will announce on Mondays the location of Reward time for Fridays. This week we will go to the Blues Football Club with our Foundation to Year 4 students. In Week 6 we will split the reward time students up and take F – 2, to the Playground and 3 & 4's to the Youth Hub.

New Staff - Jodi Johnson

Hi to all the wonderful Crossways Families, I am Jodi Johnson, Librarian, LSO, mum of 2 wildlings, and sharer of stories and love.

I have had the wonderful privilege of being at Crossways for 6 months now and I have gotten to know all your incredibly amazing kids. They bless me every day with their happy faces and eagerness to learn.

I spent many years traveling Australia and the world, in many different roles and jobs. I must say though, I have never felt so fulfilled, blessed, and happy as I am now, in this role and in this community.

It is an honor to have the opportunity to enrich your children's learning life. I hope to expand their minds and hearts by continuing to make the library a sanctuary; a safe place where they want to be. And add a little something extra special to compliment all the learning and work the teachers do with their classes.

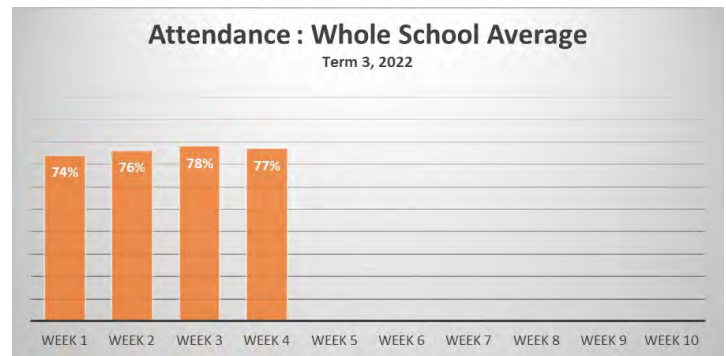

Please keep an eye on the 'happenings' at our library, there are some exciting things to come. And please encourage your kids to borrow and bring home more and more books to read every day. Books are magical.

You are all very welcome in the library and to come visit me. I can't wait to mingle with you all on our Family Night, Monday 29th August.

Gratefully yours, and may God bless you,
Ms. JJ

welcome

Working Together Towards a Brighter Future

Year 2 News

What an awesome start to Term 3 we have had!

The Year 2s have been engaged in a lot of hands-on learning! We have been looking at how materials are combined for a purpose in Science and this has linked perfectly with following and writing procedures in English. We have made milo, playdough, milkshakes and inquired into how concrete is made.

We have also been collecting data in Technology and putting this data into graphs on our laptops! What a tricky skill for Year 2s! They have taken on this challenge with great success! We presented our data from collecting rubbish around the school in Assembly. Our hope was to make the students think about putting their rubbish in the bins and care for Gods world (which is what we are learning about in Science!).

Well done Year 2s on such a successful start to Term 3 with such rich and integrated learning!

Miss Norsworthy

Chapel Schedule - Term 3, 2022

Week	Theme	Class/ SRC	Guest presenter
WK 5	Pride comes before a fall	Yr 3/4D	Andrew V
