## Principal's Word - Tony Peters

### The God we can see

*Christ is the visible image of the invisible God. He existed before anything was created and is supreme over all creation, for through him God created everything... He made the things we can see and the things we can't see... Everything was created through him and for him. He existed before anything else, and he holds all creation together. (Colossians 1: 15-17)*

During the course of this week, Ms Bek gave us the opportunity to express our

interpretations of who God is. Descriptive words include:

forgiving, patient, calm, loving, waiter & listener.

These descriptive words are learnt from what we read in the Bible and learning about who Jesus was when we walked on earth for some 30 years. The stories of Jesus give us a clear and descriptive account on the type of person Jesus was and who God is.

### New Principal Visit

Greg Miller spent the good part of last week at the School. This was a great opportunity for him to see staff and students in action and to develop an understanding of the School culture. Greg's schedule was action packed and included attending the FETE. We learnt that Greg is not only a community orientated person, he is also a very talented musician. Greg is very much looking forward to being a part of the community in 2023.

## Crossways Community Fete

The fete was a huge success with hundreds of people coming into our School for a fun and entertaining evening. Many thanks to the staff of Crossways who put in a tireless amount of energy before, during and after the event so that things run smoothly and effectively. Money is still being balanced, however, I can confidently say that the School has raised a significant amount towards the improvement of the Ceduna Skate Park.

A massive thank you to Andrew McIlwraith for his leadership, coordinating much of the fete, ensuring that all things were covered and warranting the success of it all. Andrew certainly has a gift and passion in organising events such as this.

### End of School Year

The School year is quickly coming to a conclusion with a significant number of activities occurring in the final 4 weeks. Please keep in tune with the School's communication so you are aware of what is happening. These are some of the significant events-

**Carnival of the Arts** which will show case the School's Arts talents – Music and Visual Art. This takes place on Wednesday 7<sup>th</sup> December, 5-7pm. This is held outside at the Middle School decking area. Finger food and drinks are complimentary. The invitation is for all school community members as well as friends.

**Beach Day** – a fun day for the students to end the School year, held on Tuesday 13<sup>th</sup> December.

**End of School Year, Learning Celebration.** Our final School event of the year is being held on Wednesday 14<sup>th</sup> December starting at 6pm. All students must attend, dressed in School uniform and be accompanied by an adult. As in past years, this will be held in the canopy area of the Junior School.

# CROSSWAYS COMMUNITY FETE 2022

## FETE

### Senior Class Pottery Excursion

Over the past couple of weeks the senior art class were able to improve their pottery skills and techniques under the guidance of Pam Diment at the Ceduna Arts Centre. Although I was away on the Year 5 camp for the first session, I was able to join in the second one where the girls put their decorative finishes onto their work. Hopefully the firing of the clay works will happen prior to our Carnival of the Arts, on the 7<sup>th</sup> of December, Week 8 and the pieces will be on display and possibly some items for sale.

### Reward Time

Last week students from the middle school and junior school enjoyed their reward time which they can earn by:

- Wearing the correct uniform
- Attending school daily
- Doing their best school work
- Treating students and staff with respect

The junior school children continue to enjoy their free lesson of play at the new playground on Thursdays, while the middle school students receive a free lesson in the ‘chill out zone’ (shipping container) along with an ice cream after lunch on Fridays.

In the photo you can see our new Principal for 2023 Mr Greg Miller, getting to know some of our middle school students.

With only 4 Fridays left I would love to see all students make it to reward time, at least once, for the remainder of the term.

9.55am	Foundation
11.00am	Year 2 or Year 3/4 Donald or Year 3/4 Champion
11.55pm	Year 2 or Year 3/4 Donald or Year 3/4 Champion
1.30pm	Year 1

Please ensure students bring a towel, goggles (if required), change of underwear & any medication or swimming needs (ie. Ear Plugs etc)

### Snakes—National Parks & Wildlife

Remind residents to clean up their properties to discourage snakes from moving in with you. Remember snakes aren't only found in regional areas and national parks. You will often find them in suburban backyards and even at the beach. REDUCE the food available by trapping rats and mice, and store birdseed or chook feed in sealed metal containers.

**KEEP** grass low, gardens tidy

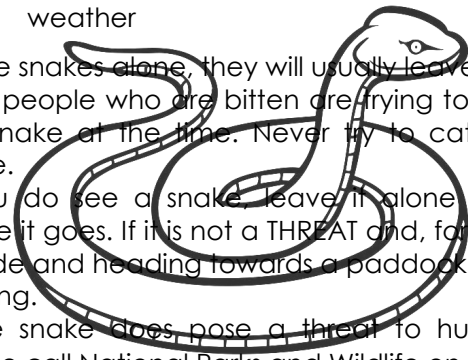

**STORE** wood away from the house

**TIDY** the shed and building materials

**KEEP** boots off the ground and check for snakes before putting them on

**WATER** – Place pets' water bowls away from house as snakes drink water, especially in hot weather

Leave snakes alone, they will usually leave us alone. Most people who are bitten are trying to kill or injure the snake at the time. Never try to catch or kill a snake. If you do see a snake, leave it alone and watch where it goes. If it is not a THREAT and, for example, is outside and heading towards a paddock, do nothing. If the snake does pose a threat to human safety please call National Parks and Wildlife on 86253144.

### SAPSASA selection for Jordan

Jordan Coleman was selected to represent Western Eyre SAPSASA CRICKET recently and travelled to Adelaide to compete. Congratulations on a job well done Jordan.

## Year 2 News

What a start to the term it has been! We began the term with our Year 1 and 2 sleepover which was a highlight for so many of us!

Last Friday was our Crossways Fete and were busy making slime for our stall during the week. It was a great success and all our slime sold out! A big thanks to Hannah for all her effort getting the stall organised!

Some of our learning highlights this term have been:

- Learning about how to preserve food in Technology (trying canned, dried and pickled foods)
- Making Shops in Maths (while the Year 3/4s were away) to learn about money
- Starting our new electives
- Typing our narratives on our laptops
- Learning about Earths Resources in Science

It has been great reflecting on how far the Year 2s have come this year and I am excited to enjoy the last weeks of the year with them!
