## Principal's Word - Tony Peters

### Acceptance

*Accept one another, then, just as Christ accepted you, in order to bring praise to God.  
(Romans 15: 7)*

Probably the most challenging 'invitation' for most of us - would you agree? All sorts of things get in the way for complete acceptance to take place. It could be something quite 'small' from the 'little' things like what someone is wearing, what someone looks like, what someone does etc. etc.

When we find it difficult to accept someone, let us look to Christ for his example because he accepts everyone, regardless of race, culture, history etc. God's love is perfect; he also puts all our faults and issues aside and lets us get on with the job of loving others. Just imagine if God kept a record of our wrongdoing; how much more challenging it would be to love and serve others! Thank God for his forgiving nature and love for all people!

### Carnival of the Arts (Wednesday 7 December, 5-7pm)

This event is just around the corner, in fact, in a week's time you will have the opportunity to experience the gifts and talents of Crossways students' art and music. Students' artwork from across the school will be displayed inside the Middle School and

Music will be performed from the outside decking area right near the Middle School. The Food Tech students are preparing the finger food for the evening which will be complimentary.

Apart from admiring the children's talents, a lucky door prize is on offer with the lucky ticket being drawn at the conclusion of the evening.

This is a relaxed evening beginning at 5pm and concluding around 7pm. Please come along and enjoy the talents of the students

### End of School Year, Celebration of Learning Service (Wednesday 14 December, 6.30pm start)

This will be the final event of the School year and it is expected that all students attend this important event, dressed in School uniform. This will be held at the School, in the canopy area which is in the Junior School area.

We are hoping to have a number of guests attend this event, including Mr John Proeve, Executive Director of Lutheran Schools SA, NT, WA and Sam Telfer, MP & Member for Flinders.

Following the service, your child's report will be available to take home.

### Blessings, Tony Peters

## Terena Evans - Deputy Principal

Connect professional development workshop. Monday was a student free day where the staff of Crossways had the opportunity to come together and learn about the underlining theory of working at a Lutheran school. Stuart Traeger, from the LESNW office in Adelaide worked through 'Connect 4' guiding staff through the unit and different resources useful for teaching Christian Studies. New staff are working towards getting their accreditation for teaching in Lutheran schools which involves creating a portfolio, attending professional development off site and submitting their portfolio over the course of 2 years.

### Contemporary Learning Tour

Georgia Lambeff and myself were fortunate enough to be part of one of the many 'Learning tours' run by LESNW. We flew to Brisbane and engaged in tours to a variety of schools who are taking on a different approach to learning. The key focus area that all schools were doing was PBL Project Based Learning which catered to individuals' interest. This seems to be the way education may go in Australia and it is also happening in other regions of the world including California & New Zealand. We have lots of ideas we are keen to share with the school leaders, staff and Board and hopefully start our own contemporary focus on learning for Crossways in 2023.

## Year 3/4 Class CAMP

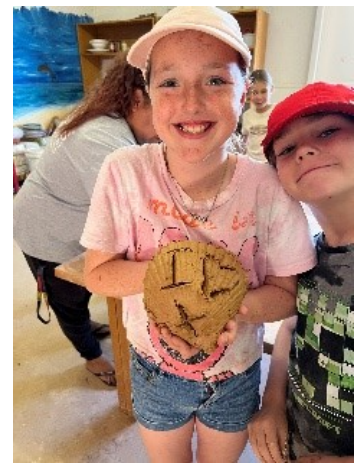

At the beginning of the term both Year 3/4 class joined together and went on a combined Class Camp to Scotdesco Aboriginal Community. On Wednesday 19th October the Year 3/4 classes arrived at school and packed the bus ready for our big adventure. The bus trip was just 1 hour away, we arrived at Scotdesco Aboriginal Community around 11:15am had recess and unpacked the bus and set up our dorms.

The camp was a time for students to strengthen friendships and bond as a class, as well as a way to step out of their comfort zone. Day 1 we spent the time at the community participating in cultural activities that included: pottery making, artifact making, dot painting and language. At night students participated in a fun Quiz night. Day 2 started with a yummy breakfast of pancakes and was a day of confidence building and adventure. In the morning we drove for about 30 mins and went to Clare Bay, which was a really beautiful beach, students went swimming, sand dune jumping and sand castle making. In the afternoon we went to Penong and students participated in scavenger hunt around the town, ending with dinner at the pub. At night we had a fire and a movie night Day 3, we packed up our campsite and headed to Fowlers Bay and had a fun morning sandboarding on the dunes, and swimming by the jetty. We headed back to Scotdesco finished packing had lunch and headed back to school.

I was very impressed with the student's willingness to give all activities ago. I was also impressed with how encouraging they were of each other, and the behaviour they displayed on camp.

A big thank you to Mr Borgas for driving one of the buses, Cirena and Hannah for helping out on camp, Mr Peters coming up for a night as well as the parents that helped out on camp.
