Principal's Word - Tony Peters

Another School year has passed so I take this opportunity to say thank you to all school families for your connections, whatever that looks like, with Crossways Lutheran School.

It has been a privilege and an honor to lead this community during the last 3 years. Though it was a relatively short time, much has been achieved. The School is in a very strong position with increasing enrolments, a new

Strategic plan and a new Master plan, providing vision and direction now and in the coming years.

I sincerely thank you for supporting me and giving me the opportunity to return to a community which will remain in my heart for the remainder of my days.

At this stage, I am leaving Lutheran education after serving it for 33 years. As I reflect on those years there are many people I sincerely thank but 3 people whom I'd like to acknowledge as having a significant influence:

My wife Jane. She has supported me right through my career, even to the point of assisting with the Visual Art Program at several schools, including Crossways. Being a principal requires much overtime and Jane has always given me the time and space to do this. She has let me do the work. Above all, Jane has encouraged me through the thick and thin of it all – a truly remarkable person and I thank God for her.

My mother and father. My mother has a wonderful heart, a forgiving heart, and a just heart.

She too has supported me through some very difficult times, always there ready to hold and comfort me. My late father taught me how to work. My father was a house painter in Adelaide and gave me the opportunity to work with him during school holiday breaks and for a year early in my teaching career. My father was a hard worker and together with the relationships he formed with his clients, taught me what I know about giving it your best while maintaining positive relationships with others. God. Working in Lutheran Schools for so many years, with staff and class devotions every morning, chapels and church at school, to name a few, I have been able to stay authentically connected to God. He remains the focal point in a Lutheran School and what an awesome responsibility it is to have the opportunity to share God's love with a School community. God is love and He wants us to share this love with everyone. God is forgiving and He wants us to forgive others too because if we hold on to things we are then bound by sin. God's love sets us free to love and serve others. He also created my mother and father...and my wife.

I wish you all God's blessings as we approach that special time of Christmas. May his love set you free to rejoice and give thanks for all He has done and continues to do.

God's Blessings,

Tony Peters

SRC / House Captain News & Walk My Way Fundraiser

Wow – I can't believe how quickly this term has gone! Term 4 is always a busy term and the SRC and house captains worked hard throughout the term, especially with our fundraiser on Monday. Congratulations on all who were involved in hosting a very successful 'Walk my Way' fundraiser. We were able to raise \$310, where every \$26 helps send a child to school in East Africa. Thank-you to everyone who made the day a positive and fun event. There were lots of smiles, lots of walking/running and it was a great way to tie up the end of the term. Congratulations to Callum and Zoie for completing the most laps in the F-2 event, and Toby, Ciara and Gabriella for the 3-10 category.

The SRC and house captains also headed to the Foreshore Hotel for their celebratory meal on Thursday week 8. It is always a great way to reflect on the semester and celebrate leadership. Well-done to all students who showed leadership in one way or another. Enjoy your well-deserved holidays celebrating the birth of Jesus! See you all in 2023!
