Principal's Word - Greg Miller

Your treasure

Matthew 6: 19 - 21

"Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. For where

your treasure is, there your heart will be also".

In our lives there are many things that are important to us. As we grow our priorities change and what is important changes as well. What is important for a teenager is quite different to what is important for a mother looking after a young family.

It is not necessarily wrong to value and treasure things, but if treasuring something or someone becomes more important than our relationship with God, we have a problem. The pursuit of material things can be a treasure that can take control of our lives in a bad way. In the book of Matthew, we are encouraged to store up our treasures in heaven, and are reminded that where your treasure is, that's where your heart will be.

This Sunday we celebrate "Mother's Day". The origins of "Mother's day" date back to the middle ages (5th to 15th Century) where the custom developed of "allowing those who had moved away to visit their home parishes and their mothers on Laetare Sunday, the fourth Sunday of Lent". (*Encyclopedia Britannica*)

Let's make time this Sunday to honour those who are in the role of Mothers. Reach out and let them know how much they are appreciated.

God Bless you all

Congratulations Ella Fischer

This school holidays I went to Melbourne, Victoria to represent South Australia in the Victorian Artistic Roller-skating State Championships, I finished in second place.

Artistic roller skating is quite an uncommon sport. I have been part of the sport since I was 9. I often go to Adelaide to do competitions. I spent the week leading up to the Melbourne state championships training at **Gawler Recreation Centre**, with my club **Skate Crew Artistic**. Next year, I hope to travel to New Zealand to compete in the Oceania International competition. I also hope to be able to offer beginner roller skating lessons in Ceduna in the next few months.

Foundation News Miss Reid & Mrs Lovell

It has been fantastic to see the Foundation students come back to Term 2 ready to learn. During week 1, students took part in the Footsteps dance program. Students

enjoyed learning 4 dances over the week. Each lesson we saw students become more and more confident as they continued to participate, even if dance wasn't their thing. It is clear there are some real movers in the Foundation class!

Looking back at term 1, we saw some great improvements in both Maths and Literacy amongst the students, for example students moving up in groups. Students have become more competent in writing and recognising their names and their peers names.

Last term saw so many exciting events take place- sports day, SANFL visit, multicultural day, harmony day, drawing workshops,- we are looking forward to seeing what term 2 has in store for us!
