## Principal's Word - Greg Miller

### Hospitality

Hebrews 13:2-3

*"Do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it. Continue to remember those in prison as if you were together with them in prison, and those who are mistreated as if you yourselves were suffering."*

The writer of this passage reminds us to care for and empathise with people who are experiencing hard times. We all go through times which are tough and sometimes all that we need is for someone to reach out and say a kind word or spend some time with us.

At Crossways we have installed two "Buddy Benches" to help facilitate this. Buddy Benches have been proven to have many benefits. The way they work is that someone is feeling lonely or a bit miserable they can sit on the bench, other students see them sitting there and can go and sit with them, have a chat, and ask them to come and play.

*Buddy Benches can benefit all children, not just the ones who are feeling isolated. It teaches children empathy by showing them how to recognize when someone else is in need and how we can be kind to them. This also teaches them to be more proactive—to recognize the feelings of others and to step forward to do something about it. In addition to encouraging empathy, it will also help kids develop social and leadership skills.*

I must commend the SRC (Student Representative Council) as they came up with the idea of getting Buddy Benches for our School. After they researched which ones would be best for Crossways, two Buddy Benches were purchased and have now been installed, one in the Junior School and the other in the Middle School. This is an excellent example of students speaking out and caring for each other.

God Bless

## Year 5 Artwork with Mrs Halbert

The Year 5 students have looked at the techniques used by NZ artist Ana Klazine Burne. They have experimented with acrylic ink and applied the ink using droppers. This project has been lots of fun and the final results are bright and eye catching.

## Library News

So many of our kids are enjoying being in the library this year. Lunch times we are full of happy kids reading, colouring and playing board games. We have a lot of new, wonderful and very interesting books for the kids to read, its so exciting to see so many kids borrowing and returning. Also, I am just a little bit *EXCITED* for Book Week, even though its not until August 19-20. The theme has been announced, it is 'Read, Grow, Inspire'. I'm not sure what I'll be wearing for the Book Week Parade yet, but I've got some ideas. Its never too early to start planning costumes, I say. The Scholastic Book fair will run at the same time, just like previous years. A fun and exciting opportunity for the kids to choose books to buy and enjoy at home. They say 'A room with out a book, is like a body without a soul.'

Working Together Towards a Brighter Future

## Terena Evans - Deputy Principal

On Monday the 5th of June, Greg and I attended a conference for Principals and leaders of Lutheran Schools. I was overjoyed to see Francois' Pienaar there (a former Principal of Crossways) along with meeting many others from schools mostly around SA. The focus of the conference was Creating the right school Culture and strategies on how to have courageous conversations. I'm looking forward to sharing the ideas with our leadership team and working together to create an even better school culture than we already have.
