TERM 3	24th July 2023 - 28th September 2023
TERM 4	16th Oct 2023 - 14th December 2023

Principal's Word - Greg Miller

Earlier this year, NAPLAN testing took place for all Year 3, 5, 7 & 9 students in Australia and the results of this testing will be sent to you this week. The information can be hard to understand and if you would like to speak to your child's class teacher or myself about the results, please call the school to make a time to do so. It is important to realise that NAPLAN testing is one of many ways of

measuring progress of students and as with all testing it may not always give an accurate result.

At Crossways we use various ways of measuring a student's progress and this week are testing our students using Progressive Achievement Tests (commonly known as PAT tests). PAT tests are one of the main sets of tests that schools in Australia and New Zealand use. We continually strive to give our students the best education available, and the results of these tests help inform us as to how we are doing.

We were saddened this week with the passing of a previous Principal of Crossways and well known member of the Ceduna community – Barb Cybulka. After a brave 7-month fight with illness, Barb died peacefully surrounded by her family last

Saturday. Barb was Principal of Crossways from 2009 – 2013, she was involved directly in Lutheran education for over 15 years and had a passion for indigenous education. I had the privilege of getting to know Barb when she was in Alice Springs, where she was involved with the Lutheran Church and was teaching at Living Waters Lutheran School. On behalf of our school I am attending Barb's celebration of life service at Murray Bridge, today Wednesday the 2nd of August.

"Barb lived an inspiring life, strengthened by her faith, always sharing love and laughter wherever she went. She is going to be greatly missed by us all and will leave a huge hole in our hearts." Steve Cybulka

Vale Barb Cybulka - 23/8/51 - 22/7/23

"You, LORD, give perfect peace to those who keep their purpose firm and put their trust in you."

Isaiah 26:3 Good News Translation

Blessings to all

Greg Miller—Principal

AWARD WINNERS - WEEK 1 Continued

Above : Students awarded certificates for the **NAIDOC 'FOR THE ELDERS ART COMPETITION'**.
(Mia Roberts, Nathaniel Coleman, Charlotte Harre-Temby and Jenaye Johnson) **CONGRATULATIONS !!!!**

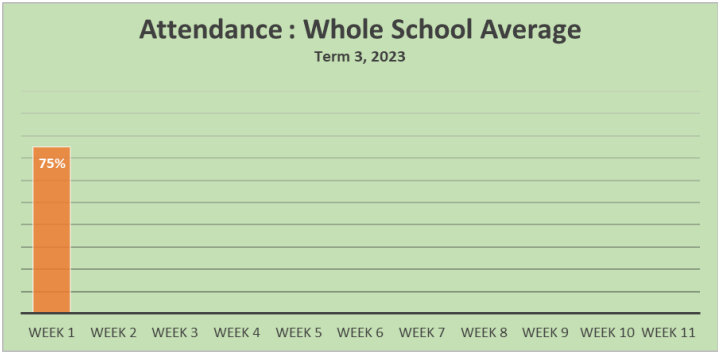

Mr Woodward

Since the beginning of Term 3 I have shifted into the new role as Permanent Relief Teacher. This is a position I have been waiting to move into for some time. I have so far enjoyed moving from classroom to classroom and year level to year level teaching students I haven't been so familiar with in the past. Teaching Physical Education to the Foundation students was a new

experience, then the next day transitioning back to Middle School students. I have met siblings and relatives across the school which has provided interesting insights; the younger ones love to share stories about their older siblings or cousins .
My personal goal is to learn every student name at Crossways.

Carl Woodward

2023 Non-Government Schools Census collection notice

The Australian Government Department of Education (the department) would like to advise all staff, parents and guardians that it will collect certain information about your school, its staff and student body as part of the 2023 Non-Government School Census collection (the Census).

How and what information is collected for the Census?

Census information is provided to the department by your school legal entity (the approved authority) via the [SchoolSHUR website](#).

The Census provides information about your school and the number and characteristics of the school's staff and student body during a specific reference period. Characteristics collected through the Census include:

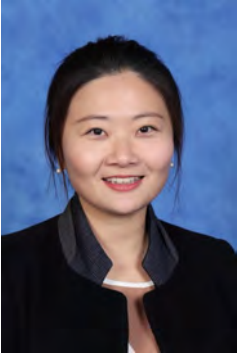

- teaching and non-teaching staff
- students' year level and workload
- students' gender and age (as on 1 July 2023)
- Aboriginal and Torres Strait Islander staff and students
- students with disability
- students receiving distance education
- boarding and overseas students.

The names of students and staff are not collected, apart from the name, position and contact details of the staff member nominated as the primary contact for the Census.

Census special circumstances applications

Census special circumstances applications may also be made by schools to include a student/s who did not attend during the Census reference period but otherwise meets Census eligibility requirements. Schools will provide the department with information and documents about the student demonstrating their eligibility. The department does not require personal information about a student and asks schools to de-identify any documents before providing them.

Year 7/8 Class

This term in the Year 7/8 Class, we are focusing on developing more teamwork and positive communication skills. To practise these important skills, we are doing a lot of group work so that students have various opportunities to learn to work with everyone in the classroom. At times, students find it quite challenging to work

collaboratively with everyone, but we are definitely making progress and improvement in learning to effectively communicate with each other. I look forward to seeing growth and improvement in these areas.

Haesil Kim

Year 6 Class

The Year 6 class in an intimate group of young people who are a pleasure to teach! They focus, get stuck into their work and enjoy each other's company. Last term as an incentive for all of their hard work, we walked down to Shelly Beach and explored the sandhills and beach. It was so much fun playing around in a beautiful setting.

This term in English we will be working on writing Procedure Texts, learning different grammar concepts and finishing our class novel, Blueback.

Georgia Lambeff

happy 100 days of school

The Foundation class celebrated 100 days of school on Monday this week.
