## Principal's Word - Greg Miller

### Caring for All

We are living in a troubled world, with recent decisions and actions that have caused grief, hardship, and loss of life. How should we respond?

As a Lutheran School, along with Christians around the world we are instructed to not only respect the rights of others but to go further in how we care for other people.

This message is echoed many times in the Bible.

Two examples of this are - Isaiah 1:17 *'Learn to do right; seek justice. Defend the oppressed. Take up the cause of the fatherless; plead the case of the widow.'* and Proverbs 31:8-9 *'Speak up for those who cannot speak for themselves, for the rights of all who are destitute. Speak up and judge fairly; defend the rights of the poor and needy.'*

These verses challenge us as they are not just theoretical but are a call to action. How do we respond to events and actions which effect our community, country and the world.

Crossways Lutheran School is part of a larger Lutheran community that invests and seeks social justice not only in Australia but around the world. In Australia we have Lutheran Community Care whose Mission is "God's love in action: care, compassion and social justice for all", and around the world we have Australian Lutheran World Services. "ALWS reaches out in love, for justice. We bring together people willing to work in service to help end suffering. As partners, we work openly and accountably, supporting programs which welcome, respect and bring hope through care to those fleeing from, or hurt by, disaster, conflict, poverty or oppression."

In our personal response to events around us it would be wise for us to follow what Jesus told us to do. "My command is this: Love each other as I have loved you." "Give to the one who asks you, and do not turn away from the one who wants to borrow from you." "In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."

May you have a blessed weekend.

## OYSTERFEST PARADE WINNERS

**WE DID IT!!  
WELL DONE EVERYONE**

ELC had a super time at the Oysterfest parade...  
They practiced their super strength and endurance to not let their float blow away lol!  
Thanks to everyone who gave us an encouraging wave!  
And all the effort to get from start to finish paid off as they won "Best Float"

### Treble Teens on Tour!

On the very last Friday of term 3, our Middle School Band, the Treble Teens, generously sacrificed their student-free day to fill the main street of Ceduna with live music from 11 AM to 2 PM.

The students, dressed in their brand-new matching band t-shirts, all did a fantastic job and received numerous compliments and words of encouragement from local community members, as well as tourists from all over the country who happened to be either passing through Ceduna or attending the 2023 Ceduna Oysterfest.

I am incredibly proud of the Treble Teens who happily performed in the hot weather and the company of some very friendly flies! I want to extend a huge thank-you to Popeye for assisting with the sound, Winston for joining us on bass, and to Sonya Sleep and Aimee Beatie for their unwavering support and exceptional photography skills. It was a truly successful and gratifying day. Well done, Treble Teens!

## Terena Evans—Deputy Principal

It has been wonderful to do yard duty this term in the junior school. The beautiful, happy faces of our Foundation & Year 1 students has made my day! Today I witnessed the Year 1 students taking the Foundation kids under their wings and sharing the swings with them, pushing them and making sure everyone has a turn. It's funny how different equipment to play with changes the way children play.

Previously both classes were very segregated and now, all playing wonderfully together. The swings placed near the canteen have also been a hit for the older students! We were finding as our school has grown so much in numbers this year, that we didn't have enough activities to keep the students entertained, so hopefully these playgrounds will continue to help solve that issue!

### Reward time

Reward time will continue to happen this term on Thursdays and Fridays. The Foundation to Year 2 students will continue to visit the Ceduna playground Thursday afternoons at 2:30 – 3pm. The Year 3 & 4 students will visit the Youth hub at 1:45 – 2:30pm and the Year 5 – 10's Friday's from 1:45 – 2:30pm.

Not only is reward time exciting and fun for the students to work towards but it also allows different age groups to play together and foster relationship they may not get the opportunity to at school. It's great to see older students looking after younger ones and friendship being created through this program.

To be selected for reward time students need to achieve the below criteria:

- 5 days attendance
- On time each day and for all classes through the day
- A positive attitude towards staff and students
- Putting in best efforts into all subject areas
- Wearing school uniform

## Basketball in Adelaide

Good luck to the Year 5/6 selected Girls who are travelling to Adelaide tomorrow to compete in the EP SCHOOLS STATE BASKETBALL CARNIVAL. Results to follow next week !!!
