TERM DATES 2023

TERM 4	16th Oct 2023—12th December 2023
--------	----------------------------------

Principal's Word - Greg Miller

The entrance to Crossways Lutheran School is quite striking, featuring lovely gardens and several Metal Art Sculptures. In the centre as you drive in there are three sculptures together. Have you noticed what is on them?

On October 31st each year, Christians around the world celebrate "Reformation Day", this day is of particular importance for Crossways as we are a Lutheran School.

"Reformation Day" celebrates the day 506 years ago on October 31, 1517 that Martin Luther, an Augustine monk, nailed Ninety-Five Theses to the door of a Church in Wittenberg, Germany. These theses provoked a debate that culminated in what we now call the Protestant Reformation.

The debate and resulting reformation were important for many reasons, not the least being a refocusing on the Grace of God.

"For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast. For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them." Ephesians 2:8 – 10

Grace means undeserved generosity, first received from God, then freely given to others. When we practice grace, we honour and accept others, creating an inclusive school community.

Next time you drive in to Crossways you may notice the Metal Art Sculpture commemorating the 500th Anniversary of Reformation Day, and perhaps you will have a greater understanding of its significance.

Year 2 Class

The end of Term 3 is always busy with activities. Book week was a hit and it was great to see so many students dressed up for our Book Week parade. Our Student Led Conferences were well attended and the students got to show off their learning from the year. They enjoyed testing their parent's spelling and challenging them to Maths Games. We had a heap of fun

celebrating Grandparent's Day in Week 9. It was wonderful to have our grandparents visit for the morning and share morning tea with us. Students enjoyed interviewing their grandparents and hearing about different toys and technology from the 'olden days'.

During Maths we have been learning about money (always a bit hit!) and students have been using their play money to run a shop and 'buy' things for a pretend party. This term we have started to look at division. Students have been using blocks to show how they share equally and they have even been writing number sentences about division.

This term feels like it is flying by but we still have the Crossways Fete and Year 2 Sleepover to look forward to. The Sleepover will be a great time for students to strengthen their friendships and form some lasting memories of what has been a fantastic, action-packed year.

PPEP TALK

(Periods, Pain, Endometriosis Program On Monday the 30th of October, Alssa Ormetod visited Crossways again to share important education around Periods, Pain and Endometriosis. Alssa has a nursing background and currently visits schools around the state to share the Pelvic Pain Foundation's sessions to girls in Year 9 and above. The afternoon was very educational and even I learnt a

lot about ways to help relieve pain and different medical options available. The stand out point I took from the session was that agonising Period pain is not normal and if this stops you from going about your daily schedule then you should see a doctor to get it checked out.

Year 9/10 Camp

The Senior Class attended a careers camp in Adelaide from Monday to Friday last week.

The trip was sponsored by the Ceduna Aboriginal Corporation and included visits to Her Majesty's Theatre, the South Australian Health and Medical Research Institute, Australian Space Discovery Centre, Adelaide University, Calvary

Hospital, Immanuel College and the Art Gallery of South Australia.

Our hosts at each location were engaging and informative. Apart from expanding their young minds with a wealth of learning opportunities, it was also a lot of fun with extracurricular excursions to Bounce and Mega Fast Karts. We also managed to squeeze in some late night shopping at Marion.

The variety of food was good and the accommodation at West Beach Parks worked well. I would like to extend our warm thanks to Tracey from Ceduna Aboriginal Corporation for introducing us to so many interesting people and to Anita Hoffrichter for driving the 22-seater bus there and back. Mr Caretti, Mr Pierson and Kerry Taylor enjoyed sharing the experience with the students. We were also joined by the Principal, Mr Miller, on the last two days of camp, who made special comment and thanked the class for being so well behaved.

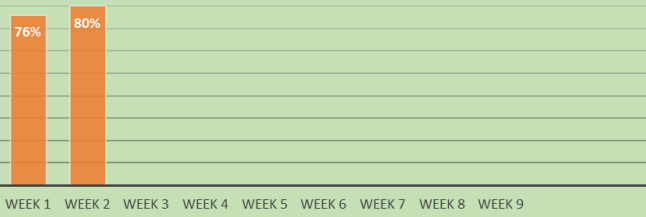

Thanks and Praise,

Mark Pierson, Teacher
